Use Your Words Kate Hopper, 2012-04-02 **USE YOUR WORDS** introduces the art of creative nonfiction to women who want to give written expression to their lives as mothers. Written by award-winning teacher and writer Kate Hopper, this book will help women find the heart of their writing, learn to use motherhood as a lens through which to write the world, and turn their motherhood stories into art. Each chapter of **USE YOUR WORDS** focuses on an element of craft and contains a lecture, a published essay, and writing exercises that will serve as jumping off points for the reader's own writing. Chapter topics include the importance of using concrete details, an overview of creative nonfiction as a genre, character development, voice, humor, tense, and writing the hard stuff, reflection, and back story, structure, revision, and publishing. The content of each lecture is aligned with the essay/poem in that chapter to help readers more easily grasp the elements of craft being discussed. Together, the chapters provide a unique opportunity for mother writers to learn and grow as writers. **USE YOUR WORDS** takes the approach that creative writing can be taught, and this underscores each chapter. When students learn to read like writers, to notice how a piece is put together, and to question the choices a writer makes, they begin to think like writers. When they learn to ground their writing in concrete sensory details and begin to understand how to create believable characters and realistic dialogue, their own writing improves. **USE YOUR WORDS** reflects Kate's style as a teacher, guiding the reader in a straightforward, nurturing, and passionate voice. As one student noted in a class evaluation, "Kate is a born writer and teacher, and her enthusiasm for essays about motherhood and for teaching the nuts and bolts of writing so that ordinary mothers have the tools to write their stories is a gift to the world. She is raising the value of motherhood in our society as she helps mothers build their confidence and strengthen their game as writers." **Rhetorical Healing** Tamika L. Carey, 2016-09-30 Since the Black women's literary renaissance ended nearly three decades ago, a profitable and expansive market of self-help books, inspirational literature, family-friendly plays, and films marketed to Black women has emerged. Through messages of hope and responsibility, the writers of these texts develop templates that tap into legacies of literacy as activism, preaching techniques, and narrative formulas to teach strategies for overcoming personal traumas or dilemmas and resuming one's quality of life. Drawing upon Black vernacular culture as well as scholarship in rhetorical theory, literacy studies, Black feminism, literary theory, and cultural studies, Tamika L. Carey deftly traces discourses on healing within the writings and teachings of such figures as Oprah Winfrey, Iyanla Vanzant, T. D. Jakes, and Tyler Perry, revealing the arguments and curricula they rely on to engage Black women and guide them to an idealized conception of

wellness As Carey demonstrates Black women s wellness campaigns indicate how African Americans use rhetorical education to solve social problems within their communities and the complex gender politics that are mass produced when these efforts are commercialized
