

A romantic couple is shown in profile, facing each other closely. The man, on the left, wears a light purple dress shirt and a matching tie, and has glasses. The woman, on the right, wears a dark, sleeveless, patterned dress. They are standing on a set of wide, light-colored stone steps. The background is a dark, textured wall, possibly brick or stone. The overall mood is intimate and celebratory.

Six-month Marriage Penny Jordan, 1985-01-01 **Policing Sex and Marriage in the American Military** Kellie Wilson-Buford, 2018-11-01 The American military's public international strategy of Communist containment systematic weapons build ups and military occupations across the globe depended heavily on its internal and often less visible strategy of controlling the lives and intimate relationships of its members From 1950 to 2000 the military justice system under the newly instituted Uniform Code of Military Justice waged a legal assault against all forms of sexual deviance that supposedly threatened the moral fiber of the military community and the nation Prosecution rates for crimes of sexual deviance more than quintupled in the last quarter of the twentieth century Drawing on hundreds of court martial transcripts published by the Judge Advocate General of the Armed Forces Policing Sex and Marriage in the American Military explores the untold story of how the American military justice system policed the marital and sexual relationships of the service community in an effort to normalize heterosexual monogamous marriage as the linchpin of the military's social order Almost wholly overlooked by military social and legal historians these court transcripts and the stories they tell illustrate how the courts

construction and criminalization of sexual deviance during the second half of the twentieth century was part of the military's ongoing articulation of gender ideology. *Policing Sex and Marriage in the American Military* provides an unparalleled window into the historic criminalization of what were considered sexually deviant and violent acts committed by U.S. military personnel around the world from 1950 to 2000. *The French Law of Marriage and the Conflict of Laws that Arises Therefrom* Edmond Kelly, 1885. *The French Law of Marriage, Marriage Contracts, and Divorce, and the Conflict of Laws Arising Therefrom* Edmond Kelly, 1895. *Rejected Or Suspended Applications for Revolutionary War Pensions, with an Added Index to States* United States. Department of the Interior, 1969. This reprint of a rare United States Senate Document lists the names and residences of about 11,000 Revolutionary War soldiers and or their widows who applied for pensions under the Acts of June 7 1832 and July 7 1838 and whose claims were rejected or suspended along with the reasons. Most of the claims were for authentic service of actual Revolutionary soldiers but were rejected or suspended because the soldier did not serve for six months his name did not appear on the rolls or because a claim was suspended for further proof such as proof of marriage. Still other claims were turned down on grounds of desertion privateer service or other service in a non-military category. The lists of suspended applications are arranged by states and thereunder by Act of Congress and category of rejection or suspension. *Report of the Secretary of the Interior, with a Statement of Rejected Or Suspended Applications for Pensions* United States. Can a baker refuse to make a wedding cake for a gay couple? Despite the U.S. Supreme Court decision guaranteeing marriage equality in 2015, lesbian, gay, bisexual, transgender, and queer LGBTQ citizens in the United States continue to be discriminated against in fundamental areas that others take for granted as a legal right. Using social equity theory and intersectionality but written in an accessible style, this book demonstrates some of the ways in which LGBTQ citizens have been marginalized for their identity and argues that the field of public administration has a unique responsibility to prioritize social equity. Categories utilized by the U.S. Census Bureau: male or female, heterosexual or homosexual, for example, must shift to a continuum to accurately capture demographic characteristics and citizen behavior. Evidenced-based outcomes and disparities between cisgender and heterosexual and LGBTQ populations are carefully delineated to provide a legal rationale for a compelling governmental interest and policy recommendations are provided, including overdue federal legislation to prohibit discrimination based on sexual orientation and gender identity. **The Pacific Reporter**, 1918. *Cases Decided in the Supreme Court of Appeals of Virginia* Virginia.
