Sky Gates and Collages ,1974* **Nevelson** Louise Nevelson,1974 In Spite of . . . Everything Tom Barnaba,2018-04-11 It is an understatement to say that women are real people with true and great abilities just like men yet it does seem like forever that we have been debating the rights of women and how they match up against the rights of men By every reckoning there is no blockage to the total equality of women to men yet again there it is In spite of everything that has been accomplished there still exists somewhat of a prejudice In spite of this prejudice young women need to know about those great sometimes not too well known women who have pushed and prodded and fought like crazy to get todays women to a spot that would have been unheard of only a relatively short time agowomen who deserve the highest praise and placed in the highest echelons of respect and honor And even in politics women have been able to bring more choices for the voters with more women being elected as mayors to county and state legislatures executive offices congress and beyond And despite the hectic pace and all the infighting there have been far fewer who have been forced to resign because of incompetence or criminality Many of the women discussed in these pages could have been even more useful and helpful had they not had faced that wordtradition Elizabeth Cady Stanton and Susan B Anthony were some team Their organizational skills and tireless efforts could not have been met with failure It goes back to Stanton calling a womens rights convention in Seneca Falls New York in 1848 Someday we will truly be a land of equality practicing what it preaches and the women will get us there Hopefully this book will encourage young women of today to keep up the good fight Nevelson Louise Nevelson,1974 **The Sculpture of Louise Nevelson** Louise Nevelson,Arthur C.
