

# **Sleeping Lady:**

## **An Alex Jensen Mystery**

A photograph of a snowy mountain range reflected in a frozen body of water. The mountains are covered in snow and partially shrouded in mist. The water is calm, creating a clear reflection of the landscape. The sky is a mix of blue and white, suggesting a clear day with some clouds.

A frozen wilderness holds the  
promise of Spring...  
and the secret of murder.

**SUE HENRY**

Macavity Award and Anthony Award Winning Author

# Sleeping Lady An Alex Jensen Mystery

## **Sleeping Lady An Alex Jensen Mystery:**

**Sleeping Lady** Sue Henry, 2015-06-01 DEEP FREEZE DISCOVERY Alaska State Trooper Alex Jensen is faced with solving the mystery of what became of pilot Norm Lewis whose plane disappeared six months ago in the vast white wilderness. Even more puzzling is the discovery of the broken hulk of his Cessna half submerged in the icy waters of the Spring thaw with the frozen body of an unidentified woman strapped in the passenger seat. Norm is nowhere to be found and his wife Rochelle, a pilot herself, has flown in demanding to be included in the search. Jensen and Rochelle begin their probe, an emotional trek through the forbidding Alaskan wilderness, a trail that turns even more ominous as they follow the fateful path of a man who has vanished without a trace, leaving behind a bundle of troublesome secrets, unanswered questions, and some dangerous connections in the business of murder. A frozen wilderness holds the promise of Spring and the secret of murder. Sleeping Lady

Sue Henry, 1997-05-01 Searching for a missing pilot whose plane disappeared six months ago, Alaska State Trooper Alex Jensen is accompanied by the missing man's wife into the forbidding Alaskan wilderness where they discover more unanswered questions. Reprint PW **Sleeping Lady**

Sue Henry, 2019-11-12 When the ice breaks, one mystery is solved and another arises. Six months after Norm Lewis disappeared while flying out of Anchorage, his fractured Cessna is discovered half submerged in the frigid waters of an isolated lake, miles from his intended destination. The only body in the plane is strapped in the passenger seat: an unidentified woman. **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters, female sleuths may live in the past or the future. They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting, however, to compare the fictional world of the mystery sleuth with the world in which readers live. Of course, mystery readers do not share one simplistic world. They live in urban, suburban, and rural areas, as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor, young or old, conservative or liberal. So are the heroines. What incredible choices there are today in mystery series. This three-volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu, the descriptions of the items that are provided are subjective. Volume 3 of *Mystery Women*, as currently updated, adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1, 1990, to December 31, 1999. This more than doubles the number of sleuths introduced in the 1980s, 298 of whom were covered in Volume 2, and easily exceeds the 347 series and some outstanding individuals described in Volume 1, which covered a 130-year period from 1860 to 1979. It also includes updates on those individuals covered in the first edition, changes in status, short reviews of books published since the first edition through December 31, 2008. **Detecting Women 2** Willetta L. Heising, 1996 Lists over 3,400 mystery titles written by women in correct series order, as well as more than 600 series detectives created by women, and more. Titles are indexed.
