LEVEL ALL **The Old-time Herald** ,2007 **Old-Time Music and Dance** John Bealle,2005-08-31 In the summer of 1972 a group of young people in Bloomington Indiana began a weekly gathering with the purpose of reviving traditional American old time music and dance In time the group became a kind of accidental utopia a community bound by celebration and deliberately void of structure and authority In this joyful and engaging book John Bealle tells the lively history of the Bloomington Old Time Music and Dance Group how it was formed how it evolved its unique culture and how it grew to shape and influence new waves of traditional music and dance Broader questions about the folk revival movement social resistance counter culture authenticity and identity intersect this delightful history More than a story about the people who forged the group or an extraordinary convergence of talent and creativity Old Time Music and Dance follows the threads of American folk culture and the social experience generated by this living tradition of music and dance

Music in the Mountains Kara Rogers Thomas,2004 This thesis investigates the role traditional music plays in shaping and solidifying concepts of regional identity in Western North Carolina The genres of traditional American music encompassed by this study include Ballads Old Time Music and Bluegrass Despite the ubiquity of these traditions across the national landscape all three genres are recognized both within and beyond the Southeast as being representative of a Southern Appalachian ethos This work investigates the causes for such deep associations between music and place Four years of fieldwork and observation including the author s active participation with the region s Folk Heritage Committee which hosts traditional music events through the summer months provides this study s methodological framework In brief this work examines the multiple traditional music communities in Asheville North Carolina and the surrounding area provides biographical sketches of a small sampling of area musicians and shows how individual musicians and distinctive traditional music communities merge at area festivals to reify concepts of regionalism It finds that the designation of Ballads Old Time Music and Bluegrass Music as Southern Appalachian regional music is both constructed and affirmed by the interplay between outsiders and insiders conceptualizations of regional identity

Old-Time Fiddle Style Ken Kolodner,2011-01-13 Ken Kolodner s book presents transcriptions with detailed bowings in tandem with three recorded versions of 35 Appalachian fiddle tunes ranging from some very common and easy tunes for more beginning players but also quite a few less typically played tunes All transcriptions are based on festival

versions of the tunes meaning the versions are those most commonly encountered at jams and festivals the book includes a clearly written description of old time style focusing on default bowing systems designed to develop rhythmic bowing Ideas presented include Nashville shuffle 3 1 bowing bow rocking ghost bows anticipations left hand ornamentation drones chording dissonances altered tunings the concept of swing tips on learning by ear and more The tunes are played three times each for nearly 150 minutes of recording 1 very slowly and simply 2 at a modest tempo and but with double stops drones and other ornaments and 3 up to tempo While this effort was designed for fiddlers the recordings should serve as an excellent source for non fiddlers at all levels who desire to build their repertoire and practice learning tunes by ear the book and accompanying MP3 disc are appropriate for any level of player the difficulty of the tunes ranges from simple to relatively complex Similarly the bowing techniques include the simplest ideas to relatively difficult the three recorded speeds make the learning and processing of the tunes appropriate for all levels of players wishing to improve their ear training
