Dead Boyfriends David Housewright, 2007-05-01 Right up until they put him in jail McKenzie thought the cops were kidding After all he did them a favor by stopping a rookie cop from roughing up a distraught woman at a murder scene But the next thing Mac knows he's in jail missing an important date with his girlfriend and reliving nightmares he thought he'd finally left behind and he's vowing payback for all of it If that means sticking his nose into a crime investigation well he's done it before Only what appears to be a straightforward case of a cheating boyfriend his alcoholic girlfriend and an opportune baseball bat proves far more complicated than the police are willing to accept More disconcerting as he investigates Mac finds himself again fighting the influence of a shadowy figure who controls more of what goes on in the Twin Cities than a rational voter would believe And then there are the unidentified thugs who kill a witness and rough up him and his female lawyer ally Soon Mac realizes that the truth of this sordid crime may be as hard to find and as hard to live with as the justice he seeks

Baelor J.K Albers, 2025-03-13 Sweetness is a town where the whispers of the rotten echo louder than the tolling of Saint Felicitas's church bells where its heartbeat thrums to the rhythm of blasphemy where divergence is corrected and opposition is silenced Father Roman Cornelius Baelor is a chain smoking black magic wielding priest who has spent years exorcising demons from the innocent at the cost of their lives Now he is back in Sweetness after the priest who replaced him is accused of murdering his wife and found hanging in his prison cell with the word *Lilitu* scratched into the wall behind him Did the priest summon one of the Inferno's most powerful demons before his death As Father Baelor unravels the mystery he's pulled into a web of diabolic forces each thread tightening as a tragedy slowly unfolds where the line between familial devotion and indulgent obsession blurs What begins as a hunt for the truth quickly becomes something else entirely because once you let the devil in he locks the door behind him

The Salt Line Holly Goddard Jones, 2017 In an unspecified future the United States borders have receded behind a salt line a ring of scorched earth that protects its citizens from deadly disease carrying ticks Those within the zone live safe lives in a society controlled by a common fear Few have any reason to venture out of zone except for the adrenaline junkies who pay a fortune to tour what's left of nature Once out of zone this group finds itself at the mercy of deadly ticks and at the

centre of a murderous plot How far are they are willing to go to get to the right side of the salt line **Specifications and Drawings of Patents Issued from the United States Patent Office** United States. Patent Office,1903 **Path to Prominence** M. Robert Katz,2021-12-09 In another world and time humans are no longer the dominant species What remains are isolated colonies and fractured societies separated by vast wilderness Highly evolved animals roam between land and water day or night limiting travel The remaining individuals families and races with unique traits and skills settle wherever they can find safety On a coastal island a young man named Wheel has been working with hundreds of other abductees forced into the territory of deadly predators to gather resources After five years of planning and aided by his closest allies he unleashes a rebellion that changes the island s power structure With new control and authority his group must find a way to insure the survival of all who follow them but across miles of swamp other colonies can be just as hostile as the creatures hidden beneath the surface In a mountainous forest teams of young hunters must provide for their colony under the supervision of older more experienced leaders One is a teenager named Harben who s gifted with a rare ability that helps him survive in the wild If they manage to return home friends and family work and train together to ensure everyone has what they need Even surrounded by a harsh environment most know what dangers to expect until one day everything changes forcing Harben and his fellow hunters to put their training to the ultimate test Two groups are set on missions with their own goals while struggling with personal emotions and conflicting decisions Everything is connected on a path that may lead to victory or defeat in an unpredictable story of suffering belief and survival The Man from Bar-20 Clarence E. Mulford,2025-10-16 When Hopalong Cassidy s friend Johnny Nelson left Bar 20 searching for even greater adventure and joined the CL Ranch he found more than he bargained for He found a hidden valley between Twin Buttes with over 200 of CL cattle rebranded QE He found a gang of rustlers out to steal the rest of CL s beef He found the country s fastest gun fighter looking to cut him down What he should have found was a fast way out of that valley But Hoppy never told him how to turn tail and run The Man from Bar 20 by Clarence E Mulford At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **The Man from Bar 20** Clarence Edward Mulford,2022-05-28 In The Man from Bar 20 Clarence Edward Mulford crafts a captivating tale set against the evolving American frontier With its focus on Johnny Nelson a young ranch hand wrestling with the encroachment of civilization upon the untamed landscape he loves the narrative probes deeply into themes of change adaptation and the quest for belonging Mulford s prose demonstrates a quintessentially Western blend of brisk action defined characterization and vivid scenery Nestled within the linguistic context of early 20th century American literature Mulford s work offers a compelling snapshot of the societal transformations of the era while still delivering a timeless exploration of an individual s struggle to balance personal desires with societal expectations Clarence Edward Mulford was not only a defining voice in Western fiction but also an astute observer of the human condition His personal experiences and observations of the American West s metamorphosis

undoubtedly informed his portrayal of Johnny Nelson Mulford provided an intimate look into the soul of the West as it grappled with progress and in doing so he vividly painted the emotional and physical landscape that his characters inhabited The Man from Bar 20 is therefore a highly recommended read for those enamored with Westerns and students of American cultural evolution alike Mulford's keen insights into the challenges of change both for the rugged individualist and the community are revealed through Johnny Nelson's relatable journey Readers seeking an engaging narrative rich with the spirit of the Western genre will find this book an indelible addition to their literary journey as well as a thoughtful commentary on the complexities of societal change
