India Working Barbara Harriss-White, 2003 By drawing on her extensive fieldwork in India and on the adjacent theoretical literature Barbara Harriss White describes the working of the Indian economy through its most important social structures of accumulation Successive chapters explore a range of topics including labour capital the state gender religious plurality caste and space Despite the complexity of the subject the book is vivid and compelling The author's intimate knowledge of the country enables the reader to experience the Indian local scene and to engage with the precariousness of daily life Her conclusion challenges the prevailing notion that liberalisation releases the economy from political interference and leads to a postscript on the economic base for fascism in India This is an intelligent book first published in 2002 by a distinguished scholar for students of economics as well as for those studying the region **Regional and Local Economic**

Development in South Africa Etienne Louis Nel, 2019-07-23 First published in 1999 this volume responds to the recent application of Local Economic Development around the world and examines its impact in South Africa in the wake of the nation's recent political transition Etienne Louis Nel observes how the initiative is taking on a dual form of community led and authority led initiatives Nel explores the issue through areas including South Africa's space economy a case study of Stuttenheim and local economic development in East London *Growth or Stagnation?* Mats Lundahl, 2019-04-02 First published in 1999 the essays collected in the present volume derive from an interest in South Africa and its economy which goes back to the early 1970s and were written between 1994 and 1999 The intention is to follow how the debate on the South African economy has evolved since the fall of the apartheid regime Issues discussed include the South African economy after apartheid and whether the new South African economy is ultimately experienced growth or stagnation Regional

Development Planning and Management of Urbanization United Nations Centre for Human Settlements, 1997 **Urban and Peri-urban Agriculture in Africa** David Grossman, Leo M. van den Berg, Hyacinth I. Ajaegbu, 2019-05-20 Published in 1999 this work sets out to assess the potential of urban and peri urban agriculture for generating income and for improving food supply for the growing urban population in Africa It considers both full time small holder farmers and part timers who hold land under various tenorial conditions Since the book is a collection of papers based on field studies it contains a wide range of approaches methods of investigation and scientific findings *Doctors and the State* Dorothy

Mutizwa-Mangiza, 2018-08-13 Published in 1999 the main aim of this text is to examine the nature of professional control medical practice and the state of health services in a post colonial state and the medical profession in Zimbabwe since 1980 The text reviews the theories of professions and professional control and medical practice it concludes by examining the nature of the Zimbabwean state The chapter on methodology highlights some of the ethical dilemmas of carrying out research in developing countries The book then goes on to review health services and policies of both the colonial and post colonial governments in Zimbabwe Three chapters discuss the nature of medical practice and the constraints encountered by doctors in their work the terms and conditions of service under which doctors work and the nature of medical regulation of education licensing and discipline including issues such as malpractice and litigation Throughout the book comparisons are made with situations in other countries both developed and developing and the main conclusions of the book are that medical doctors in Zimbabwe have minimal administrative restrictions on the type of treatment which they can carry out but the unavailability and breakdown of essential equipment shortages of essential drugs and staff limit the doctors autonomy to carry out the treatment that they consider necessary

Class Formation and Civil Society Patrick M. Boyle, 2018-10-26 First published in 1999 this study of the politics of education in Cameroon the Congo and Kenya presents arresting empirical evidence that urban elites exiting public sector educational systems they have dominated in favour of private school networks of their own creation Seeking to enhance their offspring's chances for survival and even domination in a world of scarce resources and limited opportunities for employment elites see private schools as tools to shape newly emerging civil societies in Africa in their own image From a theoretical perspective the fresh evidence presented here shows that schooling has once again become a major social force influencing the balance of state and society in modern Africa Re-examining an older political tradition of class analysis and integrating it into more recent civil society perspectives the author shows that the abandonment of the unreliable education services of dysfunctional African states in favour of private schools has profound consequences for class articulation in societies dividing once again according to educational opportunities

Cities in the World: 1500-2000: v. 3 Adrian Green, 2018-12-13 Papers presented at the Cities in the World conference held at Southampton University and organised through the Society for Post Medieval Archaeology challenged the commonly held perception that cities are about the present and the future not about the past All cities have an innate sense of the past and this volume encompassing as it does

Small African Towns Between Rural Networks Urban Hierarchies: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. Small African Towns Between Rural Networks Urban Hierarchies : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Small African Towns Between Rural Networks Urban Hierarchies : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
