Here I Am Kelsey Browning, 2016-05-16 What is a calling What is a spiritual gift More importantly why doesn't Janey have either They say everyone is special in their own way but the closest Janey gets to special is being especially average Comparing herself to her great at everything with perfect looks to boot best friend Preston doesn't exactly help She feels like she is drifting through life without contributing anything to anyone At seventeen she doesn't expect to have her life all figured out but she desperately wants to know what God has planned for her With determination she vows to find her spiritual calling and get started doing God's work immediately but distractions wait around every corner Will she try to hard Will she wait for God to show her the way or will she dive in too deep **Thirty Days with My Father** Christal

Presley, 2012-11-01 When Christal Presley's father was eighteen he was drafted to Vietnam Like many men of that era who returned home with post traumatic stress disorder PTSD he was never the same Christal's father spent much of her childhood locked in his room gravitating between the deepest depression and unspeakable rage unable to participate in holidays or birthdays At a very young age Christal learned to walk on eggshells doing anything and everything not to provoke him but this dance caused her to become a profoundly disturbed little girl She acted out at school engaged in self mutilation and couldn't make friends At the age of eighteen Christal left home and didn't look back She barely spoke to her father for the next thirteen years To any outsider Christal appeared to be doing well she earned a BA and a master's got married and traveled to India But despite all these accomplishments Christal still hadn't faced her biggest challenge her relationship with her father In 2009 something changed Christal decided it was time to begin the healing process and she extended an olive branch She came up with what she called The Thirty Day Project a month's worth of conversations during which she would finally ask her father difficult questions about Vietnam *Thirty Days with My Father* is a gritty yet heartwarming story of those thirty days of a daughter and father reconnecting in a way that will inspire us all to seek the truth even from life's most difficult relationships This beautifully realized memoir shares how one woman and her father discovered profound lessons about their own strength and will to survive shedding an inspiring light on generational PTSD **Diane Nancy's Pitty Pooh**
