Smell Of Matches Poems:

The Smell of Matches John Stone, 1972 *Chicorel Index to Poetry in Anthologies and Collections in Print* Marietta Chicorel, 1974 Recognitions Carol C. Donley, Martin Kohn, 2002 Carol Donley and Martin Kohn believe that physicians stand at a unique vantage point as observers of the human condition In this text contributors attempt to prove this assertion through their prose on topics as diverse as the clashes between forces of creation and destruction institutional economic survival conflicts between genders and generations balancing of primary care with specialization issues of race and class cultural displacement and the influence of William Carlos Williams on doctors and writing The stories and essays in the collection provide a deeper understanding of the complex emotions and feelings of the men and women who every day hold life in their hands John Ciardi Vince Clemente, 1987-01-01 Some men make so indelible a mark on the lives of others that a place in time is reserved for them In this memorial volume some whose lives have been touched by such a man share their thoughts and memories of the poet translator editor teacher student father son and husband they knew as John Ciardi X J Kennedy and Lewis Turco discuss *Lives of X* a neglected American classic which chronicles the years Ciardi spent growing up in Medford Massachusetts studying at Tufts and serving as a gunner in World War II Richard Eberhart remembers Ciardi's unforgettable presence while John Holmes and Roy W Cowden remember him as a brilliant student and poet at Tufts and at Michigan where he won the Avery Hopwood Award Others remember him as a teacher at Harvard and Rutgers Dan Jaffe writes If John Ciardi held to any cause it was the notion of precision to an uncompromising excellence to the notion that to strive was in itself not enough that one needed to judge honestly to assess courageously and to respond without flinching William Heyden and Norbert Krapf tell how the books *I Marry You* and *How Does a Poem Mean* influenced them as young men In John Ciardi the Many Lives of Poetry John Nims claims Ciardi as our Chaucer John Williams Maxine Kumin Diane Wakoski and John Stone write about the Ciardi they knew at the Bread Loaf Writers Conference Gay Wilson Allen describes the list of contributors to *Measure of the Man* as a Who's Who in American literature Certainly it is an impressive gathering of poets critics and friends who have been touched by John Ciardi We are all in his debt Norman Cousins writes in his essay *Ciardi at The Saturday Review* and it is important that we say so **Poetry** Harriet Monroe, 1988 **Poems for the Millennium, Volume Three** Jerome Rothenberg, Jeffrey C. Robinson, 2009-01-19 The previous two volumes of this acclaimed anthology set forth a globally decentered revision of twentieth century poetry from the perspective of its many avant gardes Now editors Jerome Rothenberg and Jeffrey C Robinson bring a radically new interpretation to the poetry of the preceding century viewing the work of the romantic and post romantic poets as an international collective often utopian enterprise that became the foundation of experimental modernism Global in its range volume three gathers selections from the poetry and manifestos of canonical poets as well as the work of lesser known but equally radical poets Defining romanticism as experimental and visionary Rothenberg and Robinson feature prose poetry verbal visual experiments and sound poetry along

with more familiar forms seen here as if for the first time The anthology also explores romanticism outside the European orbit and includes ethnopoetic and archaeological works outside the literary mainstream The range of volume three and its skewing of the traditional canon illuminate the process by which romantics and post romantics challenged nineteenth century orthodoxies and propelled poetry to the experiments of a later modernism and avant gardism *Where Water Begins: New Poems and Prose* John Stone,1998 *The Complete Works: Fantasy & Sci-Fi Novels, Religious Studies, Poetry & Autobiography* C. Shelley Keats and Wordsworth as well as to the French symbolists and modernists from Baudelaire to Nerval Val ry and Cendrars This comparative approach opens up a brand new perspective on Durrell that has not yet been broached by North American and English scholarship The symbolic patterns the stylistic ploys and the aesthetic and philosophic tenets that characterize Durrell s poetics account for the necessary back and forth reading that connects prose and poetry the fictional and the lyrical the descriptive and the abstract Poetry excerpts extracts from his residence books novels and essays highlight not only Durrell s complex literary strategies but also the ontological quest of a writer who although never at home with the world he lived in strove to create a life world what semiologists call the Umwelt The World's Best Poetry: Poems of tragedy; poems of humor Bliss Carman,1904
