Smitten Shepherds:

Smitten Shepherds Paul Wilde, Carolyn Wilde, 2005-11-01 Every shepherd and his sheep need SMITTEN SHEPHERDS This book exposes the real truths about what is happening to the Body of Christ in and outside the churches Most importantly the truth about what is happening to the Pastors Why are so many of them quitting the ministry Smitten Shepherd is a great tool to open the eyes of both the sheep and the shepherd They both need encouragement and love **Smitten Shepherds** Carolyn J Wilde, 2014-03-27 *The Characterisation of Jesus the Davidic Shepherd in Mark's Gospel* Edmund Yiu-ming Leung, 2025-03-17 **Following the Good Shepherds** Wallace F. Johnson, 2010-09 A fifty two week family devotional book with passages from the Bible and description of the shepherd role of Old Testament characters leading up to the shepherd metaphor Jesus used to describe his mission and purpose in the world each chapter includes review questions Shepherds After My Own Heart Timothy S. Laniak, 2006-04-18 Most of Israel's pastoral imagery is grounded in two traditions Moses as God's under shepherd and David as shepherd king In this New Studies in Biblical Theology volume Timothy Laniak follows the figure of the shepherd through the pages of Scripture to help today's leaders find their place in the ancient pastoral tradition Jesus as the Eschatological Davidic Shepherd Young S. Chae, 2006 Young S Chae analyzes the puzzling association of the Son of David with Jesus healing ministry in the First Gospel This along with the Gospel's rich shepherd sheep images and the theme of the restoration of the lost sheep of the house of Israel finds a significant clue in the picture of Jesus as the eschatological Davidic Shepherd according to the pattern of the Davidic Shepherd tradition in the Old Testament and Second Temple Judaism As Matthew communicates the identity and mission of Jesus he is conversant with this tradition particularly Ezekiel 34 and 37 as well as Micah 2:5 and Zechariah 9:14 The story of the First Gospel is the story of the return of YHWH as the eschatological Shepherd for the lost sheep of Israel and also that of the one Davidic Shepherd Appointee as the eschatological Teacher Prince in the midst of his one eschatological flock **The Moody Handbook of Messianic Prophecy** Michael Rydelnik, Edwin Blum, 2019-10-10 What does the Old Testament say about Jesus Most of us hear an occasional messianic prophecy during advent we see Old Testament verses cited by New Testament authors and applied to Jesus but we don't really know what passages in the Old Testament can be considered messianic much less how to interpret some of the confusing ones The Moody Handbook of Messianic Prophecy is an authoritative and reliable guide to the Old Testament passages pointing us to Jesus A collection of essays from Old Testament scholars this work enables believers to understand the messianic nature of the Hebrew Bible like never before You'll learn about messianic prophecy and its interpretation and make new discoveries about the context and application of both familiar and strange passages Enjoy the delight of discovery as you look at familiar passages in a new light Dig into the messianic prophecy today The Ministry of the Shepherd and the Church in Africa, 2017-01-25 With over two million church leaders working in the more than ten million parishes congregations seminaries and houses of religious formation around the world it is important that all the

people of God of every church have selfless church leaders who reflect the mind of Christ But how can church leaders learn to be true shepherds like Jesus whose selfless sacrifice of his life for his people set the standard for the pastoral ministry The Ministry of the Shepherd and the Church in Africa draws on a wide range of Old and New Testament texts to develop the biblical theology of the shepherd Ministry which encourages right shepherding and evangelization in the world of self serving leadership styles Focusing especially on the example of pastoral ministry in Africa author and priest Cletus Chukwudi Imo explores some of the underlying attitudes of the pastor and the laity and challenges church leaders to adopt a role as shepherds and servants not as self serving masters so that they can lead guide and teach their congregations as Christ would Because it can be easy for church leaders to get wrapped up in the sociocultural political and economic concerns of their parishes it is important for these church leaders to shed an undue focus on these concerns instead of shepherd their flocks By modeling their lives and leadership on the ideals of Jesus church leaders including priests religious lecturers seminarians and even lay Christian parents alike can become true servants and shepherds honoring the example of Jesus the Good Shepherd
