Smuggler Secessionists Loyal Citizens On The Ghana Togo Fronti

Arnoldo De León

Smuggler Secessionists Loyal Citizens On The Ghana Togo Front:

Smugglers, Secessionists & Loyal Citizens on the Ghana-Toga Frontier Paul Nugent, 2002 **Ghana on the Go** Jennifer Hart, 2016-10-03 As early as the 1910s African drivers in colonial Ghana understood the possibilities that using imported motor transport could further the social and economic agendas of a diverse array of local agents including chiefs farmers traders fishermen and urban workers Jennifer Hart s powerful narrative of auto mobility shows how drivers built on old trade routes to increase the speed and scale of motorized travel Hart reveals that new forms of labor migration economic enterprise cultural production and social practice were defined by autonomy and mobility and thus shaped the practices and values that formed the foundations of Ghanaian society today Focusing on the everyday lives of individuals who participated in this century of social cultural and technological change Hart comes to a more sensitive understanding of the ways in which these individuals made new technology meaningful to their local communities and associated it with their future aspirations

Boundaries, Communities and State-Making in West Africa Paul Nugent, 2019-06-06 By examining three centuries of history this book shows how vital border regions have been in shaping states and social contracts *War along the Border* Arnoldo De León, 2012-01-13 Table of Contents Foreword Tatcho Mindiola Introduction Arnoldo De León Beyond Borders Causes and Consequences of the Mexican Revolution Paul Hart The Mexican Revolution s Impact on Tejano Communities The Historiographic Record Arnoldo De León La Rinchada Revolution Revenge and the Rangers 1910 1920 Richard Ribb The Mexican Revolution Revoluci n de Texas and Matanza de 1915 Trinidad Gonzales The El Paso Race Riot of 1916 Miguel A Levario The Mexican Revolution and the Women of El M xico de Afuera the Pan American Round Table and the Cruz Azul Mexicana Juanita Luna Lawhn Women s Labor and Activism in the Greater Mexican Borderlands 1910 1930 Sonia Hernández Salt of the Earth The Immigrant Experience of Ger nimo Trevi o Roberto R Trevi o Sleuthing Immigrant Origins Felix Tijerina and His Mexican Revolution Roots Thomas H Kreneck The Population Is Overwhelmingly Mexican Most of It Is in Sympathy with the Revolution Mexico s Revolution of 1910 and the Tejano Community in the Big Bend John Eusebio Klingemann Smuggling in Dangerous Times Revolution and Communities in the Tejano Borderlands George T D az Eureka The Mexican Revolution in African American Context 1910 1920 Gerald Horne and Margaret Stevens Understanding Greater Revolutionary Mexico The Case for a Transnational Border History Ra l A Ramos Selected Bibliography About the Contributors Index **The Bengal Borderland** Willem van Schendel, 2005 The Bengal Borderland constitutes the epicentre of the partition of British India Yet while the forging of international borders between India Pakistan Bangladesh and Burma the Bengal Borderland has been a core theme in Partition studies these crucial borderlands have remarkably been largely ignored by historians *Border Jumping and Migration Control in Southern Africa* Francis Musoni, 2020-04-07 With the end of apartheid rule in South Africa and the ongoing economic crisis in Zimbabwe the border between these Southern African countries has become one of the busiest inland ports of entry in the world As border crossers wait for clearance crime

violence and illegal entries have become rampant Francis Musoni observes that border jumping has become a way of life for many of those who live on both sides of the Limpopo River and he explores the reasons for this including searches for better paying jobs and access to food and clothing at affordable prices Musoni sets these actions into a framework of illegality He considers how countries have failed to secure their borders why passports are denied to travelers and how border jumping has become a phenomenon with a long history especially in Africa Musoni emphasizes cross border travelers active participation in the making of this history and how clandestine mobility has presented opportunity and creative possibilities for those who are willing to take the risk

Securitisising Decolonisation Julius Heise, 2024-05-06 With the right to petition the United Nations the Ewe and Togoland unification movement enjoyed a privilege unmatched by other dependent peoples Using language conveying insecurity the movement seized the international spotlight ensuring that the topic of unification dominated the UN Trusteeship System for over a decade Yet its vociferous securitisations fell silent due to colonial distortion leaving unification unfulfilled thus allowing the seeds of secessionist conflict to grow At the intersection of postcolonial theory and security studies Julius Heise presents a theory driven history of Togoland s path to independence offering a crucial lesson for international statebuilding efforts

Subverting Borders Bettina Bruns, Judith Miggelbrink, 2011-10-08 Small scale trade and smuggling are part of everyday life at many borders These trading activities often compensate for economic shortage that many households are suffering from in consequence of e g political transformation processes Despite of the diversity of transborder small scale trade and smuggling and their wide dispersion not only in Europe their reception within social sciences is relatively low The contributions shed therefore light on research in geography and neighboured disciplines On the basis of empirical research findings from borders all over the world the authors thrive to analyse mechanisms and conditions of the informal activities and to detect parallels and differences of informal economic structures from different perspectives This book is valuable reading for researchers in geography sociology ethnography and in political science

Africa since Independence Paul Nugent, 2012-06-13 An indispensable introductory textbook that provides students with a genuinely comparative study of the different trajectories and experiences of independent African states Paul Nugent explores a range of key concerns including the impact of HIV and AIDS the contagion of warfare and efforts at achieving national reconciliation both in the past and today This is an ideal core text for modules on Modern African History African Politics or Africa since Independence or a supplementary text for broader modules on African History which may be offered at the upper levels of an undergraduate History Politics or African Studies degree In addition it is a crucial resource for students who may be studying modern African history for the first time as part of a taught postgraduate degree in African History African Politics or African Studies New to this Edition Revised and updated throughout in light of the latest research Reflects recent developments on issues such as AIDS urbanization the secession of South Sudan questions of citizenship and the importance of transnational spaces This second edition now features photographs

Unapproved Routes Peter

Leary, 2016-08-18 The delineation and emergence of the Irish border radically reshaped political and social realities across the entire island of Ireland. For those who lived in close quarters with the border, partition was also an intimate and personal occurrence profoundly implicated in everyday lives. Otherwise mundane activities such as shopping, visiting family or travelling to church were often complicated by customs restrictions, security policies and even questions of nationhood and identity. The border became an interface not just of two jurisdictions but also between the public political space of state territory and the private familiar spaces of daily life. The effects of political disunity were combined and intertwined with a degree of unity of everyday social life that persisted and in some ways even flourished across if not always within the boundaries of both states. On the border, the state was visible to an uncommon degree as uniformed agents, road blocks and built environment at precisely the same point as its limitations were uniquely exposed. For those whose worlds continued to transcend the border, the power and hegemony of either of those states and the social structures they conditioned could only ever be incomplete. As a consequence, border residents lived in circumstances that were burdened by inconvenience and imposition but also endowed with certain choices. Influenced by microhistorical approaches, *Unapproved Routes* uses a series of discrete histories of the Irish Boundary Commission, the Foyle Fisheries dispute, cockfighting tournaments regularly held on the border, smuggling and local conflicts over cross border roads to explore how the border was experienced and incorporated into people's lives, emerging at times as a powerfully revealing site of popular agency and action.

If you ally obsession such a referred **Smuggler Secessionists Loyal Citizens On The Ghana Togo Fronti** book that will come up with the money for you worth, acquire the unquestionably best seller from us currently from several preferred authors. If you want to droll books, lots of novels, tale, jokes, and more fictions collections are also launched, from best seller to one of the most current released.
