Pilgrim Spirituality resources everyday Christianity congregational life social outreach and religious travel through definitional frames of pilgrimage Pilgrimage is a prominent biblical image Yet despite its contemporary resurgence its capacity for Christian formation remains untapped While our understanding of pilgrimage has been too narrow we lack a definitional framework that fosters transformational practice Definitions matter thought creates possibilities and intentionality enhances experience Recognizing pilgrimage as a comprehensive expression of the Christian life Pilgrim Spirituality provides tools for perceiving spiritual possibilities engaging situational context and interpreting lived experience Espousing both personal and social holiness Pilgrim Spirituality gives definitional status to the Other attends to the self and seeks the presence of God in the facts in which we find ourselves Pilgrim Spirituality examines Christian concepts of time place and journey while emphasizing the personal corporate incarnational metaphorical and tensional character of the pilgrim life Exploring the motives experiences and practices of pilgrimage Pilgrim Spirituality resources readers in their destinational pursuit of the Christian faith the union of God self and the Other *Unveiling the Real You Within* Shirley Diana Smith, 2013-04 Have you ever wondered where you are in life You realize that there is more to life than what meets the eye and yet you find that you are not where you want to be Realizing and acknowledging your true reflection in the mirror can be either a beautiful or a devastating experience depending upon one's perspective However it takes courage to confront the issues and responsibilities of oneself while not casting the blame onto others because of our own ignorance and lack of knowledge One can go through life wondering and searching trying to understand how to get to that place Sometimes it appears as though one is going around in circles trying to understand how we fit into this world What is my real purpose for being on this earth Well the Word of God tells us that God has predestined our lives before the foundations of the world Then the question remains of how do we get to the place that God has purposed for each of us in this preordained plan
