History of Linguistics 2021 Savina Raynaud, Maria Paola Tenchini, Enrica Galazzi, 2024-11-15 This volume comprises two invited talks and fifteen selected papers chosen from over 200 submissions to the 15th International Conference on the History of Language Sciences ICHoLS XV Originally scheduled to be held in Milan in 2020 the conference was postponed and moved online due to the COVID 19 pandemic Held from August 23 27 2021 it connected scholars from 30 countries across various time zones The volume is divided into three parts The first part devoted to General and Particular Issues in the History of Linguistics recalls classical authors in relation to contemporary ones as well as newly established disciplines and subtle epistemological inquiries The second part Antiquity mainly investigates the Sanskrit language and various descriptive and didactic studies approached from both ancient and contemporary metalinguistic frameworks The third part deals with Sixteenth to Twentieth Century Works ranging from the Tamil language to American archives and from experimental phonostylistics to the history of monosemy **Language in its multifarious aspects** Petr Sgall, 2006-04-01 This exceptional book of selected essays by the leading Czech linguist and member of the Prague Linguistic Circle contains 26 essays in English and 4 in German It presents the wide scope of Sgall s interest and in six parts introduces the main spheres of author s interest the first part of the book deals with general and theoretical questions the second contains Sgall s contribution to syntax the third covers the functional sentence perspective the fourth sentences and discourse the fifth language typology and the last part covers speech and writing *Historical View of the Language and Literature of the Slavic Nations* Talvj, 1850 The present work is founded on an essay which appeared in the Biblical Repository for April and July 1834 then conducted by the undersigned The essay was received with favour by the public and awakened an interest in many minds as laying open a new field of information hitherto almost inaccessible to the English reader A few copies were printed separately for private distribution Some of these were sent to literary men in Europe and several scholars of high name among those acquainted with Slavic literature expressed their approval of the work Since that time and even of late inquiries have repeatedly been made by scholars and by public libraries in Europe for copies of that little treatise which of course it was impossible to satisfy These circumstances together with the fact that in these years public attention has been more prominently directed to the character and prospects of the Slavic nations have induced the author to recast the work and to lay it anew before the public corrected enlarged and continued to the present time as a brief contribution to our

knowledge of the intellectual character and condition of those nations in the middle of the nineteenth century Preface

Historical view of the languages and literature of the Slavic nations; with a sketch of their popular poetry. By Talvi Thérèse Albertine L. Robinson, 1850 **Bibliographie Linguistique de L'année 1999** Mark Janse, Hella Olbertz, Sijmen Tol, 2003-11-30 Setting out the historical national and religious characteristics of the Italians as they impact on the integration within the European Union this study makes note of the two characteristics that have an adverse effect on Italian national identity cleavages between north and south and the dominant role of family It discusses how for Italians family loyalty is stronger than any other allegiance including feelings towards their country their nation or the EU Due to such subnational allegiances and values this book notes that Italian civic society is weaker and engagement at the grass roots is less robust than one finds in other democracies leaving politics in Italy largely in the hands of political parties The work concludes by noting that EU membership however provides no magic bullet for Italy it cannot change internal cleavages the Italian worldview and family values or the country's mafia dominated power matrix and as a result the underlying absence of fidelity to a shared polity Italian or European leave the country as ungovernable as ever **Sketch of Russian literature** Leo Wiener, 1967
