The unexpected loss of her grandmother taught her that there's more to life than meetings and conference calls, so she quit and is happy to be a nomad checking off items on her bucket list as she takes jobs teaching yoga in each place she lands in. She's happy being free and has no interest in being tied down. When Noah King gets the call that an eagle has been injured, he's not expecting to find a beautiful stranger standing vigil when he arrives. But Fallon's gentle nature and the way she makes him laugh and feel again draws him in. When it comes time for Fallon to move on, will Noah's love be enough for her to stay or will he have to find the strength to let her fly?

Sarah, a young woman from a lower middle class background, faces the struggles of balancing her dreams with societal expectations. Her love for mathematics began in her youth, inspired by her math teacher, but her family pushed her towards medical or engineering careers. After failing to crack the IIT entrance, she enrolled in an engineering college studying computer science, all while nurturing a dream of working in Silicon Valley. Along her journey, Sarah experienced love first with the charming Suryansh, followed by Mohit and Peter, each bringing a unique chapter of romance into her life. Despite societal constraints, her passions and dreams never wavered. Sarah's story is one of resilience as she navigates love, career, and personal aspirations, still determined to chase her dreams, whether it's the Northern Lights or the mystical world of Narnia. Will she reach her goals? Her journey remains unfinished, and her story is far from over.
