Postcolonial Literature and Challenges for the New Millennium Lucienne Loh, Malcolm Sen, 2017-10-02 This volume brings together an international range of postcolonial scholars to explore four distinct themes which are inherently interconnected within the globalised landscape of the early 21st century China Islamic fundamentalism civil war and environmentalism Through close reading a range of literary texts by writers drawn from across the globe these essays seek to emphasise the importance of literary aesthetics in situating the theoretical underpinnings and political motivations of postcolonial studies in the new millennium Colonial legacies especially in terms of structuring exploitative capitalist relations between countries and regions are shown to persist in postcolonial nations in the form of global civil wars and systemic environmental waste Chinese authoritarianism and the Indian picturesque represent less familiar forms of neo colonialism These essays not only engage with established writers such as Salman Rushdie and Anita Desai they also critically reflect on work by Nadeem Aslam Mai Couto Romesh Gunasekara Bei Dao and Ma Jian This book was originally published as a special issue of Textual Practice

The California Indians Robert F. Heizer, M. A. Whipple, 2023-07-28 This new expanded edition of The California Indians is a more comprehensive and thus more useful book than its predecessor which first appeared in 1951 and was reprinted seven times The editors have combined the selections eighteen of which are new into a general survey of California Indian native cultures They have avoided highly technical studies because they intend their book for the general reading public rather than for scholars The editors discuss the present day Indians of California in a chapter written especially for this volume and provide a new extensive classified bibliography listing hundreds of published works arranged by culture areas and subjects This list of references should prove useful to the nonprofessional who wishes to read further on a particular tribal culture or topic such as Indian basketry or place names or prehistoric rock art This new expanded edition of The California Indians is a more

comprehensive and thus more useful book than its predecessor which first appeared in 1951 and was reprinted seven times
The editors have combined the selections eighteen of which are new i
