Slanguage Americas Second Language:

Slanguage Gibson Carothers, **Pragmatics of Chinese as a Second Language** Shuai Li, 2023-11-14 This book brings together a collection of high quality empirical studies which examine multiple aspects involved in the acquisition teaching and assessment of pragmatics in Chinese as a second language L2 The studies collectively address some of the most cutting edge issues in the field of L2 pragmatics such as the acquisition of key pragmatic features methodological innovations in pragmatics assessment individual difference factors and virtual learning contexts The majority of the chapters include detailed descriptions of the instruments used and additional material in the appendices making it a truly valuable collection for researchers and students alike Furthermore the publication includes the most comprehensive state of the art review of empirical research in L2 Chinese pragmatics published bilingually in English and Chinese between 1995 and 2022 along with a supplemental annotated bibliography While the empirical studies all focus on Chinese as the target language the issues they address have implications for L2 pragmatics research in general and this book will appeal to those interested in the latest developments in the field American Language Supplement 2 H.L. Mencken, 2012-04-04 The DEFINITIVE EDITION

OF The American Language was published in 1936 Since then it has been recognized as a classic It is that rarest of literary accomplishments a book that is authoritative and scientific and is at the same time very diverting reading But after 1936 HLM continued to gather new materials diligently In 1945 those which related to the first six chapters of The American Language were published as Supplement I the present volume contains those new materials which relate to the other chapters The ground thus covered in Supplement II is as follows 1 American Pronunciation Its history Its divergence from English usage The regional and racial dialects 2 American Spelling The influence of Noah Webster upon it Its characters today The simplified spelling movement The treatment of loan words Punctuation capitalization and abbreviation 3 The Common Speech Outlines of its grammar Its verbs pronouns nouns adjectives and adverbs The double negative Other peculiarities 4 Proper Names in America Surnames Given names Place names Other names 5 American Slang Its origin and history The argot of various racial and occupational groups Although the text of Supplement II is related to that of The American Language it is an independent work that may be read profitably by persons who do not know either The American Language or Supplement I **Handbook of Teaching and Learning Persian as a Second Language** Hooman

Saeli, 2025-09-26 This collection explores relevant pedagogical and sociolinguistic topics in the teaching and learning of Persian as a foreign and second language Owing to the dearth of research in many areas pertaining to the teaching and learning of Persian this handbook provides empirically supported insights into various aspects of these areas While the literature on teaching and learning Persian is growing the field lacks a cohesive collection on Persian as a foreign second language The book addresses issues pertaining to the standardization and validation of teaching and assessment methods which remain under explored in the contexts of teaching and learning Persian It also covers the teaching of Persian

pragmatics the use of corpora as well as a range of different areas within linguistics including phonetics prosody and historical linguistics This comprehensive collection contributes substantially to the scientific study of many aspects of teaching and learning Persian which have been neglected for decades A must have text in Persian language pedagogy and Persian sociolinguistics it an essential book for those in teaching and learning in Persian language programs worldwide

The American Language Henry Louis Mencken,1945 *Slang and Sociability* Connie Eble,2012-12-01 Slang is often seen as a lesser form of language one that is simply not as meaningful or important as its regular counterpart Connie Eble refutes this notion as she reveals the sources poetry symbolism and subtlety of informal slang expressions In *Slang and Sociability* Eble explores the words and phrases that American college students use casually among themselves Based on more than 10 000 examples submitted by Eble s students at the University of North Carolina at Chapel Hill over the last twenty years the book shows that slang is dynamic vocabulary that cannot be dismissed as deviant or marginal Like more formal words and phrases slang is created modified and transmitted by its users to serve their own purposes In the case of college students these purposes include cementing group identity and opposing authority The book includes a glossary of the more than 1 000 slang words and phrases discussed in the text as well as a list of the 40 most enduring terms since 1972 Examples from the glossary group gropes encounter groups squirrel kisser environmentalist Goth student who dresses in black and listens to avant garde music bad bongos situation in which things do not go well triangle person who is stupid or not up on the latest za pizza smoke to perform well dead soldier empty beer container toast in big trouble the victim of misfortune parental units parents

A Study Guide for H. L. Mencken's "The American Language" Gale, Cengage Learning,2016 [American Language Supplement 1](#) H.L. Mencken,2012-02-08 Perhaps the first truly important book about the divergence of American English from its British roots this survey of the language as it was spoken and as it was changing at the beginning of the 20th century comes via one of its most inveterate watchers journalist critic and editor HENRY LOUIS MENCKEN 1880 1956 In this replica of the 1921 revised and enlarged second edition Mencken turns his keen ear on the general character of American English loan words and non English influences expletives and forbidden words American slang the future of the language and much much more Anyone fascinated by words will find this a thoroughly enthralling look at the most changeable language on the face of the planet

The Cambridge History of the English Language: English in North America Richard M. Hogg,Norman Francis Blake,John Algeo,R. W. Burchfield,1992 The volumes of The Cambridge history of the English language reflect the spread of English from its beginnings in Anglo Saxon England to its current role as a multifaceted global language that dominates international communication in the 21st century
