Encyclopedia of American Gospel Music W. K. McNeil, 2013-10-18 The Encyclopedia of American Gospel Music is the first comprehensive reference to cover this important American musical form Coverage includes all aspects of both African American and white gospel from history and performers to recording techniques and styles as well as the influence of gospel on different musical genres and cultural trends

The Pilgrim Jubilees Alan Young, 2001-12-17 In 1960 four young men went into a Chicago recording studio and revolutionized the sound of African American gospel music When they made that groundbreaking recording the Pilgrim Jubilees had been singing together for more than ten years Today they are still singing and they are still at the forefront of gospel music The Pilgrim Jubilees is their story told in their words From their beginnings in rural Houston Mississippi through the good times and the hard times of more than half a century traveling the gospel highway they have played a pivotal role in shaping an entire musical genre Today based in Chicago they stand as senior statesmen of gospel music The Pilgrim Jubilees know the pitfalls and hardships of their calling They tell of arriving in a distant town so short of money they can't afford to refuel the car then discovering their concert has been canceled They recall singing their hearts out then finding that the promoter has absconded with the money They remember the days when racism meant that even a gospel singer could land in jail simply for being in the wrong place at the wrong time And they recount the joys of the gospel life the elation of having a record at the top of the charts the companionship within the group and with the people to whom they sing and above all the drive to keep spreading the Christian message that has sustained them through the hundreds of thousands of miles they have traveled And all of these elements the highs the lows the successes the failures the spiritual the worldly are the subjects the Pilgrim Jubilees talked candidly and at length about to New Zealand journalist and gospel researcher Alan Young when he spent several weeks at home and on the road with them The result The Pilgrim Jubilees is the first full length book on an African American gospel quartet It's an illuminating look at the lives of the singers and musicians in the Pilgrim Jubilees For fifty years they have shone in a unique world where showbiz meets religion and the Jubes are stars Alan Young is a journalist in Auckland New Zealand He wrote **Woke Me Up This Morning** Black Gospel Singers and the Gospel Life University Press of Mississippi

millions of the faithful **BOOK JACKET** *Unstoppable "By Choice"* Jamie Bree,2021-06-28 *Unstoppable By Choice* offers a transparent picture of a young girl's pursuit of the abundant life. It relates the life of a young underprivileged girl who overcame the odds and ended up not being another statistic because she was a high school drop out pregnant and married at 17 with three children by 19 living with a military spouse and unaware of how to make a marriage work or raise a family. Her feelings of rejection caused her to become unstoppable in all her pursuits regardless of the many opportunities to fail. Although she lacked adequate knowledge, skills, and abilities to achieve that abundant life, God had a plan for her life. As her relationship with Christ grew, she was better able to handle life's challenges. She grew up in a two-parent home with a mother who was a homemaker, a father who was a laborer, and seven siblings. She chose to stand up and step ahead regardless of the odds to live a better life. She believed the promise her daddy told her: "You can achieve whatever you want if you are willing to follow the process and persist in spite of the odds." This book introduces us to a myriad of seemingly impossible emotional, mental, physical, and spiritual challenges that were overcome by a young girl who persisted in establishing a process that led to the abundant life she was promised. This book will challenge you, excite you, and encourage you to pursue the promise and tell your story. It may be the most memorable and impactful book you will read all year. **There Is Wisdom in Grandma's Hands** Evangelist Karen Tongue,2020-03-30 The bible states that it is appointed unto man once to die. Each of us will have to pass by death in order to reach the next stage of life: eternal life in heaven or hell. We have known about the existence of heaven and hell since the beginning of time. It is not the will of God for any to perish. That means though we have to die, God does not want us to go to hell. We can have an assurance of life everlasting in heaven with Christ Jesus, our Lord. There are many wonderful things prepared in heaven for those of us who overcome this life and receive our great rewards in heaven for living a life unto Christ. Many people have lost loved ones along life's way. Some of these loved ones have been gone for many years, and people are still grieving and mourning over them deeply. God wants you to come to him and find health and healing in the safety of his loving arms. To receive this healing, we must come to him and accept his plan of salvation. Salvation is the beginning to healing, love, and acceptance. In Christ, we find hope and peace that surpasses all human understanding. We learn who we are, and we learn who we are in Christ. I pray this book will give every reader an expected hope and the joy of the Lord for strength. The R&B Indies Bob McGrath,2000 Ebony ,1996-09 EBONY is the flagship magazine of Johnson Publishing.
