Slocum And The Bounty Jumpers:

Slocum and the Bounty Jumpers Jake Logan,2003 Slocum doesn't normally go for bounty kills but the murderous Conrad brothers killed the son and daughter in law of Slocum's friend When Slocum and his partner gun down four of the Conrads they soon are the targets of a polecat who's eyeing the bounty Original [Slocum #290: Slocum and the Treasure Chest](#) Jake Logan,2003-03-25 These three gangs won't let up until Slocum fesses up One against a vicious gang of road agents One against a Crow war posse One against a corrupt American cavalry The odds are pretty lousy for Slocum and he would never play this hand in a saloon But he knows that if he folds some of these hombres will take it upon themselves to send him to that great gambling hall in the sky While Slocum traversed Utah by stagecoach on business he had no idea that there was 16 000 in precious coins on board But when the treasure chest goes missing all fingers point to him Even with the help of a very hospitable hostess Slocum knows he can't hide forever And his newfound enemies want to bring him to justice Western style *Sherman's Forgotten General* Brian C. Melton,2007 Biography of Union major general Henry W Slocum Author explores Slocum's attitudes and tactics while serving under various Civil War generals such as George McClellan Joseph Fighting Joe Hooker and William Tecumseh Sherman Provided by publisher *Slocum* 336 Jake Logan,2007-01-30 They're out for blood but after the wrong man A pit stop in Las Vegas along the appropriately named Journey of Death lands Slocum in jail but not for long They've got the wrong man and after Slocum's escape there are bounty hunters and lawmen hot on his trail The man they really want is Slocum's doppelganger Neale with his hide intact for a greater cash reward With bounty thirsty men on his trail Slocum's only refreshment is a curvy city girl who's determined to help him find Neale and get a little something for herself But once Slocum lays eyes on Neale he's not concerned with keeping him alive **Slocum 381** Jake Logan,2010-10-26 Slocum's got a new partner with a bad memory A week ago John Slocum collected a 7000 bounty on Teddy Cutler But now he's spotted Teddy walking around Phoenix Arizona free as a bird with no recollection of robbing four stagecoaches and killing three men The law believes Teddy's been afflicted with amnesia and Slocum's been given the job of keeping an eye on him to determine whether Teddy's condition makes him an innocent man or if he's just playing possum

Slocum 419 Jake Logan,2013-12-31 Two dangerous dames are about to go down Slocum is on his way to Durango to see a man about a horse four horses in fact when he watches a mining blast send a man to his death In the distance he spies the distinctive shape of a woman in man's clothing making her getaway and hears a second woman aiding her retreat Slocum is no fool when it comes to the dangers of the fairer sex but now he's on the hunt for a pair of ladies who know their way around dynamite And when he finally finds them sparks and bullets are going to fly [The Oil-well Driller](#) Charles Austin Whiteshot,1905 **The Inter Ocean Curiosity Shop ...** ,1893 [Coal Oil Johnny](#) John Washington Steele,1902 *Paying with Their Bodies* John M. Kinder,2015-03-23 This valuable history examines America's complex and often conflicting relationship to wounded veterans and the lasting legacies of warfare The Intercept America has grappled with the questions

posed by injured veterans since its founding and with particular force since the early twentieth century. What are the nation's obligations to those who fight in its name? And when does war's legacy of disability outweigh the nation's interests at home and abroad? Focusing in particular on the decades surrounding World War I, John M. Kinder argues that disabled veterans have long been at the center of two competing visions of American war: one that highlights the relative safety of US military intervention overseas, the other indelibly associating American war with injury, mutilation, and suffering. Kinder shows that when we bring disabled veterans into the foreground of history, the narrative of American war over the last century takes a very different shape. War can no longer be seen as a discrete experience easily left behind; rather, its human legacies are felt for decades.
