Mikaela's Story Kathy Almeida,2021-10-11 She's cute adorable and she's living her life just the way she wants to She has her own business selling from her old beat up truck produce and flowers that she's grown in her garden plus old fixable stuff that she's repurposed and now people want and love So she has a steady income a fixer upper house that's over a hundred years old plus a cat a dog a rescued steer and a crazy goat to keep her company on the five acres of land that she

owns Everything is old and broken down but it doesn't matter because she loves her life and she loves where she lives And hopefully one day she will meet the man of her dreams He will be Italian because everything is Italian in her scheme of things until she discovers on a whim and an ancestry test that things are not what they seem Suddenly there are three guys who capture her heart after no man has in maybe forever Three she loves and one she really wants who doesn't want her What's a girl to do Meet Mikaela

The German Novel, 1939-1944 H. Boeschstein, 1949-12-15 This book begins the large task of sorting out the vast number of German literary works which the war has piled up before us The author has culled over four hundred novels and critical works and by indicating the numbers and content of the more significant novels and some of their stylistic characteristics he has shortened the task of future research If this investigation provides a fair indication it appears that the widely held conviction that German publishers brought out nothing but trash during the war years is mistaken By now students of literature should be in a sufficiently intelligent and tolerant mood to accept some detailed evidence and to begin to scrutinize it objectively The present study is intended as a step in that direction

David by the Hand of Michelangelo Frederick Hartt, 1987 In March 1987 art historian Frederick Hartt announced the discovery of a small stucco torso which he believed to be Michelangelo's model for his famous David Hartt the eminent Italian Renaissance scholar recounts the commissioning of the David Vasari's description of the model and Michelangelo's methods and the inventorying of the model in the Medici apartments in the Palazzo Vecchio from the early sixteenth century until 1690 when a terrible fire swept the building He reconstructs the probable chain of events that occurred after the fire when the model severely damaged fell into the rubble and was lost for the next two centuries This masterpiece of detection and deduction reads like a thriller
