The Hazards Of Being Male:

The Hazards of Being Male Herb Goldberg, 2000 *The Hazards of Being Male* Herb Goldberg, 1987 *Hazards of Being a Man* Jeffrey E. Miller, 2007-04-01 The problems men face today are not new they have been around since the time of the Bible Insensitivity lust individualism absence manipulation unresolved anger even a cursory study of Bible characters will expose all of these moral and emotional battles Jeffrey E Miller challenges men to acknowledge their common struggles and weaknesses to help them become better men Developed from his featured Bible teaching series on Bible.org Occupational Hazards of Being a Man focuses on a different Old Testament personality with a unique problem in every chapter Miller tackles these tough and pervasive issues to help men realize that these hazards are not unique to them but that they are issues that all men face and can overcome This honest and freeing book is perfect for men's small groups pastors counselors and individuals

Boys Don't Cry? Milette Shamir, Jennifer Travis, 2002 We take for granted the idea that white middle class straight masculinity connotes total control of emotions emotional inexpressivity and emotional isolation That men repress their feelings as they seek their fortunes in the competitive worlds of business and politics seems to be a given This collection of essays by prominent literary and cultural critics rethinks such commonly held views by addressing the history and politics of emotion in prevailing narratives about masculinity How did the story of the emotionally stifled U.S. male come into being What are its political stakes Will the release of straight white middle class masculine emotion remake existing forms of power or reinforce them This collection forcefully challenges our most entrenched ideas about male emotion Through readings of works by Thoreau Lowell and W.E.B. Du Bois and of twentieth century authors such as Hemingway and Kerouac this book questions the persistence of the emotionally alienated male in narratives of white middle class masculinity and addresses the political and social implications of male emotional release

Marked Men Sally Robinson, 2000-08-31 White men still hold most of the political and economic cards in the United States yet stories about wounded and traumatized men dominate popular culture Why are white men jumping on the victim bandwagon Examining novels by Philip Roth John Updike James Dickey John Irving and Pat Conroy and such films as *Deliverance* *Misery* and *Dead Poets Society* as well as other writings including *The Closing of the American Mind* Sally Robinson argues that white men are tempted by the possibilities of pain and the surprisingly pleasurable tensions that come from living in crisis
