Franco-german Jewry Irving A. Agus,1969 **Eros and the Jews** David Biale,2023-09-01 Contradictory stereotypes about Jewish sexuality pervade modern culture from Lenny Bruce s hip eroticism to Woody Allen s little man with the big libido and even bigger sexual neurosis Does Judaism in fact liberate or repress sexual desire David Biale does much more than answer that question as he traces Judaism s evolving position on sexuality from the Bible and Talmud to Zionism up through American attitudes today What he finds is a persistent conflict between asceticism and gratification between procreation and pleasure From the period of the Talmud onward Biale says Jewish culture continually struggled with sexual abstinence attempting to incorporate the virtues of celibacy as it absorbed them from Greco Roman and Christian cultures within a theology of procreation He explores both the canonical writings of male authorities and the alternative voices of women drawing from a fascinating range of sources that includes the Book of Ruth Yiddish literature the memoirs of the founders of Zionism and the films of Woody Allen Biale s historical reconstruction of Jewish sexuality sees the present through the past and the past through the present He discovers an erotic tradition that is not dogmatic but a record of real people struggling with questions that have challenged every human culture and that have relevance for the dilemmas of both Jews and non Jews today Contradictory stereotypes about Jewish sexuality pervade modern culture from Lenny Bruce s hip eroticism to Woody Allen s little man with the big libido and even bigger sexual neurosis Does Judaism in fact liberate or repress sexual desire David Bial **Essential Papers on Judaism and Christianity in Conflict** Jeremy Cohen,1991-03 Reassessing the Moral Economy Tanja Skambraks,Martin Lutz,2023-10-06 This book examines the concept of moral economy originally established by E P Thompson focusing on the impact of religious norms on economic practice With each chapter discussing a different empirical case study the interrelations of the economy and religion are explored from antiquity through to the 20th century The long term trajectory and comparative perspective allows for moral economy to be seen in relation to ancient Greek commerce medieval pawn broking Christian and Jewish economic ethics urban social politics during the Plague the Jesuit mission in Paraguay the Ottoman Empire religion in modern American capitalism and Catholic attitudes toward taxation This book aims to provide insight into how moral thinking about the economy and economic practice has evolved from a long historic perspective It will be relevant to students and researchers interested in economic history and cultural economics *Kinship and Consent* Daniel L. Elazar,2020-03-09 A major dimension of modern Jewish life has been the revival of conscious political activity on the part of the Jewish people whether through reestablishment of the State of Israel new forms of diaspora community organization or the common Jewish fight against anti Semitism Precisely because contemporary Jewry has moved increasingly toward self *Jewish Martyrs in the Pagan and Christian Worlds* Shmuel

Shepkaru, 2006 This book presents a linear history of Jewish martyrdom from the Hellenistic period to the high Middle Ages Following the chronology of sources the study challenges the general consensus that martyrdom was an original Hellenistic Jewish idea Instead Jews like Philo and Josephus internalized the idealized Roman concept of voluntary death and presented it as an old Jewish practice The centrality of self sacrifice in Christianity further stimulated the development of rabbinic martyrology and the talmudic guidelines for passive martyrdom However when forced to choose between death and conversion in medieval Christendom Ashkenazic Jews went beyond these guidelines sacrificing themselves and loved ones Through death not only did they attempt to prove their religiosity but also to disprove the religious legitimacy of their Christian persecutors While martyrs and martyrologies intended to show how Judaism differed from Christianity they in fact reveal a common mindset Shield and Sword Hanne Trautner-Kromann, 1993
