The Heron:

Listen to the Heron's Words Gloria Goodwin Raheja, Ann Grodzins Gold, 1994-04-29 In many South Asian oral traditions herons are viewed as duplicitous and conniving. These traditions tend also to view women as fragmented identities dangerously split between virtue and virtuosity between loyalties to their own families and those of their husbands. In women's songs however symbolic herons speak telling of alternative moral perspectives shaped by women. The heron's words and women's expressive genres more generally criticize pervasive North Indian ideologies of gender and kinship that place women in subordinate positions. By inviting readers to listen to the heron's words the authors convey this shift in moral perspective and suggest that these spoken truths are compelling and consequential for the women in North India. The songs and narratives bear witness to a provocative cultural dissonance embedded in women's speech. This book reveals the power of these critical commentaries and the fluid and permeable boundaries between spoken words and the lives of ordinary village women.

Under the Heron's Light Randi Pink, 2024-10-15 Inspired by stories about the real world Great Dismal Swamp this acclaimed fantasy explores alternate history a family's supernatural connections to the swamp and the strength that comes in knowing your roots. A fierce loving and exquisite humanity centered book. Kirkus Reviews starred review Mesmerizing storytelling Publishers Weekly starred review. Four thousand six hundred forty two steps in Grannylou interrupted. You remember that now Baby. Four thousand six hundred forty two steps to paradise. On a damp night in 1722 Babylou Mac and her three siblings witness the murder of their mother at the hands of the local preacher's son so Babylou kills him in retaliation. With plantation dogs now on their heels the four siblings breach the treacherous confines of the Great Dismal Swamp. Deeper and deeper into Dismal they delve amid the biting moccasins and pitch black waters toward a refuge where they can live freely within the swamp's natural and supernatural protection. Three hundred years later college student Atlas comes home to North Carolina for the annual Bornday cookout and hog roast a celebration of the fact that she and her three cousins were all born on the same day nineteen years ago sharing a birthday with their Grannylou. But this Bornday Grannylou's usual riddles and folktales about a marvelous paradise deep in the Great Dismal Swamp start to take on a tangible quality. Change coming. When Dismal calls sucking Grannylou in it's up to Atlas and her cousins to uncover the history that the black waters hold. Centuries of family tension with roots all over Virginia and North Carolina are about to be dug up. Because Babylou and Grannylou are one and the same and the power she helped cultivate hundreds of years ago steeped in Black resistance familial love and the otherworldly mysteries of the Great Dismal Swamp is bubbling back up. But so is a bitterness that runs deep as the swamp's waters. And some are ready to take what they feel they're owed.
