The Hidden Ground Of Love Letters Of Religious Experience And Social Concerns:

The Hidden Ground of Love Thomas Merton, 1985 Evelyn Waugh at the start of Thomas Merton's monastic career advised him to write serious letters and also urged him to make an art of it. This advice flowered in the sixties especially after his monastic superiors ordered him to cease publishing anything on war and peace. Monk concerned with peace. Bad image. Merton seethed in a letter and launched his series of privately circulated mimeographed Cold War Letters, one third of which are published for the first time in this book. *The Hidden Ground of Love* is a rich collection of Merton's letters in a period of his greatest concern about religion's seeming powerlessness against global violence and nuclear war. Though the book concentrates primarily on the last decade of his 27 years as a Trappist, it opens with a few early letters to Catherine Doherty before he became a monk. His extraordinary growth as a mystic and religious thinker deeply concerned about the materialistic world's drift toward the abyss is revealed in these pages. *The Hidden Ground of Love*, 1994 **The Hidden Ground of Love** Thomas Merton, 1985 Evelyn Waugh at the start of Thomas Merton's monastic career advised him to write serious letters and also urged him to make an art of it. From Puritan and evangelical valorizations of profit to the heavenly Fordist city, the mystically animated corporation and the deification of the market, capitalism has hijacked our intrinsic longing for divinity, laying hold to our souls. *Rhetoric, Religion and the Civil Rights Movement, 1954-1965* Davis W. Houck, David E. Dixon, 2006 V 2 Building upon their critically acclaimed first volume, Davis W. Houck and David E. Dixon's new *Rhetoric, Religion and the Civil Rights Movement, 1954-1965* is a recovery project of enormous proportions. Houck and Dixon have again combed church archives, government documents, university libraries, and private collections in pursuit of the civil rights movement's long buried eloquence. Their new work presents fifty new speeches and sermons delivered by both famed leaders and little-known civil rights activists on national stages and in quiet shacks. The speeches carry novel insights into the ways in which individuals and communities utilized religious rhetoric to upset the racial status quo in divided America during the civil rights era. Houck and Dixon's work illustrates again how a movement so prominent in historical scholarship still has much to teach us. Publisher *Sex, Power,*
