The Hidden Riches Of Secret Places:

Hidden Riches of Secret Places , Exploring the Secrets of Hidden Wealth Michael Scantlebury, 2025-02-01 This masterpiece has been quite controversial in some quarters the subject of finances in the Kingdom In his usual straight forward but yet biblical approach Apostle diligently explained the parables of Jesus in view of provisions delving into a strong theological framework for stewardship and how to form relevant partnership for wealth which is an effective interaction with the world system for material advance and contentment as a Kingdom virtue This book served to fuel in us an even deeper personal search into God s intention for wealth among His people It provides a unique perspective on God s heart towards us and His empowering ability through resources to bring His purpose to pass Exploring the Secrets of Hidden Wealth is a revelatory guide to understanding the power purpose and stewardship of money The Hidden Riches of Secret Places Hazel McAlister, 1980 **Blueprints for Wise Master Builders of Wealth** Michelle Miller, 2013-10-21 This book provides the biblical foundation to ignite people around the world to understand that wealth riches and prosperity was and is God s plan for people This book helps individuals build a vast understanding of obtaining building and utilizing money in a manner that honors God The material contained in the books encourages individuals to look beyond their current economic situation and financial challenges and believe God for supernatural blessings wealth and success *Hidden Riches of Secret Places* Dexter L.
