England's royal home, the home life of the prince consort, memorials of the princess Alice Charles Bullock,1879

England's Long Reformation Nicholas Tyacke,2003-09-02 These essays examine the long term impact of the Protestant reformation in England This text should be of interest to historians of early modern England and reformation studies *The Pall Mall Magazine* ,1897 *England's Prayer-book: a short exposition of the services* Thomas Burr Sikes,1893 *Farming in the First Millennium AD* P. J. Fowler,2002-11-14 Peter Fowler has written an authoritative account of farming in Britain in the first millennium AD This is the first synthesis of our knowledge on this topic for a generation Successive chapters assemble and analyse the latest evidence on farms fields technology food diet and society New interpretations are offered on subjects ranging from implements to illuminated manuscripts and evidence drawn from Northern England Scotland and Wales contributes significantly to the story The book concludes with a magisterial review of the ways in which agriculture shaped early Britain s societies and landscapes It also proposes a chronological model of British agriculture for the whole millennium *The Reformed and Celibate Pastor* Seth D. Osborne,2021-12-06 Richard Baxter 1615 1691 was arguably the greatest English Puritan of the seventeenth century He is well known for his ministerial manual *The Reformed Pastor* in which he expressed the unusual conviction that parish ministers were better off unmarried And yet Baxter seemed to contradict himself by marrying one of his parishioners Margaret Charlton Though Baxter claimed to be happily married he continued to champion celibacy for the rest of his life This book explores Baxter s argument for clerical celibacy by placing it in the context of his life and the turbulent events of seventeenth century England His viewpoint was shaped by several factors including the Puritan literature he read the context of his parish ministry his burdensome model of soul care and the formative life experiences shaping his theology and perspective These factors not only explain why Baxter became the only Puritan to champion clerical celibacy but also why he continued to do so even after marrying *England's Reformation: a poem in four cantos. To which are added, publisher's preface, life of the author, notes ... and several additions ... extracted from the Author's manuscript* Thomas WARD (Roman Catholic Soldier.),1863 England's Second Reformation Anthony Milton,2021-10-14 This compelling new history situates the religious upheavals of the civil war years within the broader history of the Church of England and demonstrates how rather than a destructive aberration this period is integral to and indeed the climax of England s post Reformation history
