The Hammon And The Beans And Other Stories:

The Hammon and the Beans And Other Stories Am?rico Paredes,1994-06-30 The culture conflict that dominated the border region during the time of Texas transition away from Mexican political status and culture to that of the United States is the main inspiration for these stories Here are tales of revolutionaries and guerrilla warriors refracted obliquely quite often through the eyes of children who are directly affected in their schools and families by the political environment As the title story indicates there is an ongoing battle within these pages between the Mexican past and the American future it is not only a tale of the struggle for cultural survival as one language confronts the other as land tenancy shifts as new systems of law and economic organization come into place but it is also the tale of the everyday folk struggling to survive economically culturally and spiritually in the face of rapid change Some of the stories record another type of cultural confrontation Mexican American soldiers at war in Korea and living in Japan In these stories all the assumptions about race culture and politics come into sharp focus as Mexican Americans a U S national minority now have to find their emotional and cultural space in a world that has become a battlefield very much like the one that transformed northern Mexico into the Southwest United States

Hammon & the Beans & Other Stories , The Hammon and the Beans and Other Stories Am?rico Paredes,1994 Paredes draws from the culture conflict sparked along the border during Texas transition from the political status and culture of Mexico to those of the United States *Noche Buena* Nicolás Kanellos,2000 Kanellos compiles historical literature on the Christmas theme by Hispanic Americans from the late nineteenth century through the twentieth century There are thirty six selections of short stories traditional tales songs poetry and the complete religious drama of the shepherds *Los Pastores* from 1907 They explore the complicated crossroads of politics and religion and the multifaceted significance of Christmas and the Hispanic identity Kanellos compiles rare turn of the century stories and contemporary writings by celebrated authors such as Chicano folklorist American Paredes Children s stories include *Legend of the Poinsettia* and the Christmas Spirit Tree The book represents writers of Mexican Colombian Cuban and Puerto Rican heritage whose works originate from New York Puerto Rico Florida Texas New Mexico and California They not only reveal an early history of publishing US Latino literature but also chronicle the changing status of these groups since the nineteenth century and important issues such as assimilation religion communal identity patriotism and poverty The anthology includes an extensive historical introduction illustrations original Spanish text for all poetry and a bibliography

Migrant Imaginaries Alicia Schmidt Camacho,2008-07-24 Winner of the 2009 Lora Romero First Book Prize from the American Studies Association 2009 Choice Outstanding Academic Title Explores the transnational movements of Mexican migrants including their expressive culture and social movement practices *Migrant Imaginaries* explores the transnational movements of Mexican migrants in pursuit of labor and civil rights in the United States from the 1920s onward Working through key historical moments such as the 1930s the Chicano Movement and contemporary globalization and neoliberalism Alicia

Schmidt Camacho examines the relationship between ethnic Mexican expressive culture and the practices sustaining migrant social movements. Combining sustained historical engagement with theoretical inquiries she addresses how struggles for racial and gender equity, cross border unity and economic justice have defined the Mexican presence in the United States since 1910. Schmidt Camacho covers a range of archives and sources including migrant testimonials and songs, Amrico Parede's last published novel *The Shadow*, the film *Salt of the Earth*, the foundational manifestos of El Movimiento, Richard Rodriguez's memoirs, narratives by Marisela Norte and Rosario Sanmiguel, and testimonios of Mexican women workers and human rights activists as well as significant ethnographic research. Throughout she demonstrates how Mexicans and Mexican Americans imagined their communal ties across the border and used those bonds to contest their noncitizen status. Migrant Imaginaries places migrants at the center of the hemisphere's most pressing concerns, contending that border crossers have long been vital to social change.

The Columbia Companion to the Twentieth-Century American Short Story Blanche H. Gelfant, 2004-04-21 Esteemed critic Blanche Gelfant's brilliant companion gathers together lucid essays on major writers and themes by some of the best literary critics in the United States. Part 1 is comprised of articles on stories that share a particular theme such as Working Class Stories or Gay and Lesbian Stories. The heart of the book, however, lies in Part 2 which contains more than one hundred pieces on individual writers and their work including Fitzgerald, Hemingway, Richard Ford, Raymond Carver, Eudora Welty, Andre Debus, Zora Neal Hurston, Anne Beattie, Bharati Mukherjee, J. D. Salinger and Jamaica Kincaid as well as engaging pieces on the promising new writers to come on the scene.

Buenas Noches, American Culture María DeGuzmán, 2012-07-09 Often treated like night itself, both visible and invisible, feared and romanticized, Latinas make up the largest minority group in the US. In her newest work, María DeGuzmán explores representations of night in art and literature from the Caribbean, Colombia, Central and South America, and the US, calling into question night's effect on the formation of identity for Latinas in and outside of the US. She takes as her subject novels, short stories, poetry, essays, non-fiction, photo-fictions, photography, and film, and examines these texts through the lenses of nationhood, sexuality, human rights, exoticism, among others.

Trans-Americanity José David Saldívar, 2012 In this book the author critiques the work of various writers within the framework of a globalized study of the Americas.

Subjects and Citizens Michael Moon, Cathy N. Davidson, 1995-06-15 Focusing on intersecting issues of nation, race, and gender, this volume inaugurates new models for American literary and cultural history. *Subjects and Citizens* reveals the many ways in which a wide range of canonical and non-canonical writing contends with the most crucial social, political, and literary issues of our past and present. Defining the landscape of the New American literary history, these essays are united by three interrelated concerns: ideas of origin, where does American literature begin; ideas of nation, what does American literature mean; and ideas of race and gender, what does American literature include and exclude, and how. Work by writers as diverse as Aphra Behn, James Fenimore Cooper, Edgar Allan Poe, Frances Harper, Harriet Beecher Stowe, Herman Melville, William Faulkner, Harriet

Jacobs Frederick Douglass Abraham Lincoln Bharati Mukherjee Booker T Washington Mark Twain Kate Chopin Américo Paredes and Toni Morrison are discussed from several theoretical perspectives using a variety of methodologies Issues of the frontier and the border as well as those of coloniality and postcoloniality are explored In each case these essays emphasize the ideological nature of national identity and more specifically the centrality of race and gender to our concept of nationhood Collected from recent issues of *American Literature* with three new essays added *Subjects and Citizens* charts the new directions being taken in American literary studies Contributors Daniel Cooper Alarcón Lori Askeland Stephanie Athey Nancy Bentley Lauren Berlant Michele A Birnbaum Kristin Carter Sanborn Russ Castronovo Joan Dayan Julie Ellison Sander L Gilman Karla F C Holloway Annette Kolodny Barbara Ladd Lora Romero Ramón Saldivar Maggie Sale Siobhan Senier Timothy Sweet Maurice Wallace Elizabeth Young
