The Harpercollins Concise Handbook For Writers:

The HarperCollins Concise Handbook for Writers Peter Dow Adams, Amy Tickle, 1994 **Harper Collins Concise Handbook for Writers** Adams, 1998-03-21 The HarperCollins Concise Handbook for Writers Peter Dow Adams, Amy Tickle, 1994 Standardising English Linda Pillière, Wilfrid Andrieu, Valérie Kerfelec, Diana Lewis, 2018-03-15 This path breaking study of the standardisation of English goes well beyond the traditional prescriptivism versus descriptivism debate. It argues that the way norms are established and enforced is the result of a complex network of social factors and cannot be explained simply by appeals to power and hegemony. It brings together insights from leading researchers to re-centre the discussion on linguistic communities and language users. It examines the philosophy underlying the urge to standardise language and takes a closer look at both well known and lesser known historical dictionaries, grammars and usage guides, demonstrating that they cannot be simply labelled as prescriptivist. Drawing on rich empirical data and case studies, it shows how the norm continues to function in society, influencing and affecting language users even today. **Perspectives on Plagiarism and Intellectual Property in a Postmodern World** Lise Buranen, Alice Myers Roy, 1999-01-01 Contributors offer many definitions and facets of plagiarism and intellectual property, demonstrating that if defining a supposedly simple concept is difficult, then applying multiple definitions is even harder, creating practical problems in many realms.

Language Prescription Don Chapman, Jacob D. Rawlins, 2020-09-21 This book is a detailed examination of social connections to language evaluation with a specific focus on the values associated with both prescriptivism and descriptivism. The chapters, written by authors from many different linguistic and national backgrounds, use a variety of approaches and methods to discuss values in linguistic prescriptivism. In particular, the chapters break down the traditional binary approaches that characterize prescriptive discourse to create a view of the complex phenomena associated with prescriptivism and the values of those who practice it. Most importantly, this volume continues serious academic conversations about prescriptivism and lays the foundation for continued exploration. **Axelrod & Cooper's Concise Guide to Writing** Rise B. Axelrod, Charles R. Cooper, 2011-10-19 Adapted from the best-selling *St Martin's Guide to Writing*, Axelrod and Cooper's *Concise Guide to Writing* provides streamlined versions of the chapters covering six of the most commonly assigned genres in the first-year writing course: remembering events, writing profiles, explaining concepts, arguing a position, proposing a solution, and justifying an evaluation. The careful integration of well-chosen readings with guided writing instruction in these chapters is complemented by coverage of strategies for reading, writing, and research in brief but complete chapters at the end of the book. Read the preface. *Intralingual Translation of British Novels* Linda Pillière, 2021-04-22 Shortlisted for the ESSE 2022 Book Awards, Shortlisted for the 2022 SAES AFEA Research Prize. Building on an upsurge of interest in the Americanisation of British novels triggered by the Harry Potter series, this book explores the various ways that British novels from children's fiction to travelogues and Book Prize winners have been adapted and rewritten for the US market. Drawing on a vast corpus

of over 80 works and integrating the latest research in multimodality and stylistics Linda Pilli re analyses the modifications introduced to make British English texts more culturally acceptable and accessible to the American English reader From paratextual differences in cover illustrations typeface and footnotes to dialectal changes to lexis tense syntax and punctuation Pilli re explores the sociocultural and ideological pressures involved in intralingual translation and shows how the stylistic effects of such changes including loss of meaning voice rhythm and word play often result in a more muted American edition In doing so she reveals how homing in on numerous small adjustments can provide fascinating insights into the American publishing process and readership

The Copyeditor's Handbook Amy Einsohn, 2000-01-01 A basic text for beginning copyeditors and a good read for old pros this handbook will also enlighten any editor contemplating freelance work Margaret Mahan former Managing Editor University of Chicago Press and editor of *The Chicago Manual of Style* 15th edition *The Copyeditor's Handbook* brims with valuable information good advice and helpful suggestions for novice copyeditors and experienced practitioners It is comforting to know that current and future copyeditors will be able to turn to this handbook I m placing this work which fills a huge gap in the literature right beside my dictionary and will highly recommend it to all my colleagues and students Alice Levine Lecturer The Denver Publishing Institute and freelance editor A definite must have for the beginning to intermediate editor or author and even the experienced editor An indispensable reference tool Kim Hawley President The Chicago Book Clinic This is the book that every teacher of editing has been waiting for thorough clear authoritative up to date and sane Beth Luey Director Scholarly Publishing Program Arizona State University This book warms the cockles of the copyediting heart It is thorough useful helpful and smart And it fills a huge vacuum Constance Hale author of *Sin and Syntax* and *Wired Style* An excellent resource *The Copyeditor's Handbook* should sit on every business editor's shelf next to the in house style guide Erika Henik Research Publications Manager Banc of America Securities LLC
