The Healing Of A Nation

Mark R. Amstutz

The Healing Of A Nation:

The Healing of a Nation David Loye,1998-12 The Healing of a Nation winner of the 1971 Anisfield Wolf Award for the best scholarly book in the field of race relations applies the insights of modern psychology and sociology to an exploration of the causes and cures of racism Taking a fresh look at the works of such giants as Pavlov Freud Marx Myrdal and Kurt Lewin David Loye shows us how their theories and findings can be used to help solve our racial dilemma **The Healing of a Nation** Chevelle R. Moore,2007-09 The Healing of a Nation is a pathway for national leaders educators scientists and everyday people who want to access healing and see positive changes occur within their respective lands This pathway outlines how a nation s past and current relationship with God affects its wellness and captures His voice alerting us I see that you have entered a troubled zone Turn back *The Healing of a Nation?* Alex Boraine,Janet Levy,1995 A collection of papers delivered at a conference in July 1994 on the subject of a Truth and Reconciliation Commission Includes the challenge facing South Africa Commissions of truth and reconciliation Chile Patricio Aylwin Jose Zalaquett Argentina Catalina Smulovitz El Salvador Patricia Valdez Contributions by Richard Goldstone Dullah Omar Antjie Krog Albie Sachs Frank Chikane *For the Healing of the Nation* William Russell Pregeant,2016-04-14 For the Healing of the Nation offers a serious look at the social and political climate in the United States from a biblical perspective emphasizing race and otherness economics and the environment and institutional violence war and capital punishment An autobiographical thread traces the journey of a white male coming of age in the mid twentieth century Deep South as his evolving faith leads him to painful breaks with inherited values and standard views on controversial issues Critical not only of both major political parties but also of centrist compromises between Right and Left Russell Pregeant seeks a forward position which he terms ecocommunitarian based on biblical values His musings touch on both southern and American identities and on the nature of the biblical writings and the ways they should and should not be used in contemporary debates Central to the entire work are discussions of how idolatrous commitments to a culture s prevalent ideologies obscure the essential demands of biblical faith

The Healing of Nations Mark R. Amstutz,2005 How does one forgive an international political transgression as deep as genocide or apartheid Forgiveness is often conceived of as an element of personal morality and even at that it is difficult This book argues that it is also an essential part of political ethics especially when dealing with collective wrongdoing by political regimes In the past a retributive justice demanding prosecution and punishment of all past offenses has kept the international community away from moving on to the next step in regime change Here Mark R Amstutz takes a restorative justice approach calling for nations to account for crimes through truth commissions public apology and repentance reparations and ultimately forgiveness and the lifting of deserved penalties The distinctive feature of forgiveness is the balance it strikes between backward looking accountability and forward looking reconciliation The Healing of Nations combines a theory of the role of forgiveness in public life with four key case studies that test this ethic Argentina Chile

Northern Ireland and South Africa Amstutz uses the hard cases to illustrate the promise and limits of forgiving without forgetting *The Healing of the Nations* ,19?? *For the Healing of the Nations* Justo L. Gonz lez,1999 The first reading to examine the cultural conflicts that formed the Book of Revelation and relate these conflicts to the church today *The Healing of the Nations* Charles Linton,1855 Healing the Nations John Loren Sandford,2000-03-01 Teaches the Body of Christ how to break Satan s hold on lands and peoples Releasing the Prophetic Destiny of a Nation Dutch Sheets,Chuck Pierce,2005-05 At the same moment God issued a separate call to two men prophet Chuck Pierce and pastor Dutch Sheets to heal the United States As a prophetic act to realign our country to His covenant plan the duo rallied apostles prophets and intercessors from state to state to break the grip of demonic strongholds Releasing the Prophetic Destiny of a Nation is the remarkable story behind their 50 state roadtrip to restore revival to America Endowed with God given keys of authority to reconcile America to its heavenly mandate the two chronicle their efforts to purge the land of territorial and generational sin Now is the time and season for a warfare anointing to rest upon America
