The Ethics of Homelessness: Philosophical Perspectives ,2020-01-20 This new and expanded edition of G John M Abbarno s anthology The Ethics of Homelessness underscores what is ignored in plain sight people without a home or dwelling are also without privacy and dignity It is argued that they lack moral standing The chapters uncover the harsh realities of poverty where economic value overrides competing human values Naomi Zack argues that homelessness is symbolic of society s materialistic values It has a tendency to resist sufficient charity and perpetuates conditions of injustice Uma Narayan questions whether the homeless have protection under the U S Constitution Other authors present an enlarged sphere of homeless to include runaway children refugees adoptees and the disabled The book demonstrates the value of applied philosophy

Obligated Timothy Kenny,2014-12-02 Simon Tavistock the seventeen year old son of Michael Tavistock the internationally famous author is accused of the rape of his new stepsister and of grievously injuring his newly married stepmother on the day of Michael s celebrity wedding Sent to prison Simon is bullied by older inmates jealous of his money

and his father's fame. He seeks revenge through third parties and in return for protection makes monetary promises that he is later forced to keep. He tries to rebuild his life using the name Smith, creating a charitable Foundation in his mother's name and establishing various businesses. But his enemies are everywhere, first picking off his friends and the women closest to him before finally moving in for the kill.

Who Am I? Rob Gieselmann, 2025-09-30. This book was written to encourage readers who feel disenfranchised from both mainline and evangelical churches, most often because of hierarchy and/or dogma, and to help them experience God anew as Divine Mystery and perfect love. Broadly, this hopeful story is one of faith told in order to share about a God who can be experienced as full of unfathomable grace and love for all. Early in his life, Rob Gieselmann was introduced to God and Christianity through a charismatic experience of being born again, but over time that experience morphed into a stilted and predictable, if legalistic, relationship. After some struggle, including the struggle over his own sexuality, he encountered God a second time, freeing him from any quid pro quo understanding of God's nature. Although Gieselmann is the pivotal character in his own story, this book is really about the mystery of God and the hope of love. Interspersed throughout the narrative are spiritual vignettes that touch on matters such as the spirituality of physics and the dynamism of everyday life, the lives of Jacob and the man born blind, and the very human challenge of forgiving others.
