before Him for twenty six months in order to write these articles The number of titles I received from Him was over one thousand and two hundred and the number of articles I received was over nine hundred When I received my first article I prayed and God forcefully gave it to me However at this time I just pray in front of the keyboard in order to receive messages I hope these messages from the Lord will reveal the greatness of the Lord and thereby I and all people glorify the Lord I hope that the leaders and people who have broken God s heart will turn to the right attitude because of these messages of the Lord and those who have made the Lord s heart sad will be the ones who please Him Finally at the end of each message of the Lord is provided the date or year of writing
