Untying God's "Nots" Troy J. Edwards, 2016-07-12 If a nation marches against you know that I am not behind it Isaiah 54:15a The Voice A common phrase used by many Christians particularly when there is some tragic event is that God is in control Many people mean different things by the statement however the majority of those who use the statement believe that God initiated the tragic event and had a secret mysterious plan to bring some unknown good from it We believe that such a teaching casts aspersions on God's character Besides the origins of this teaching is not from the Bible but is derived from pagan philosophy Throughout these pages we will look at a number of arguments and Scriptures used by proponents of this teaching and show the reader that it does not line up with the Bible's teaching about God The reader will also learn that this teaching is a tool of Satan to keep Christians passive so that they will not stand against him in the authority of Christ's victory over him

God in Slow Motion Mike Nappa,2013-08-20 Jesus was not in a hurry He had only three years of public ministry three years to heal and teach and change the world but the Bible never tells us he was rushing through them We are the ones who rush through them Catching the gist of this parable Smiling at the punch line in that dialogue We can race through the Gospels in hours fully briefed on Christ s life but hardly changed Until we sit down with Mike Nappa s *God in Slow Motion* Nappa hasn t carved up the Gospels for quick review or sliced them into tiny pieces for academic study He has taken ten important moments from the life of Christ and reveled in them chewing on their words relating them to life comparing them with modern culture allowing the Spirit to work and letting Christ change him The result is a rich personal and biblical narrative about Jesus and how His purposes unfold then and now See how God is sneaky about his glory How he presents evidence for belief How he can be comforting and terrifying at once This is the good news in all its many splendors wonder the life of Christ frame by frame And it is worth every minute because it will change you too

The New Guidebook for Pastors James W. Bryant,Mac Brunson,2007-06-01 Church leaders young and old will find professional advice and inspirations worth revisiting time and again throughout their ministry career in *The New Guidebook for Pastors*

More than a Symbol Stanley K. Fowler,2007-03-01 *More than a Symbol* seeks to demonstrate that the interpretation of baptism as a mere symbol bearing witness to a previously completed conversion experience is inadequate both as a summary of biblical teaching and as a summary of Baptist thought Starting with H Wheeler Robinson and culminating in the work of G R Beasley Murray British Baptists in the twentieth century argued effectively that baptism must be interpreted as an effective sign a meeting place of grace and faith a sacrament rather than a mere symbol This book argues that the New Testament exegesis that is at the heart of this reformulation is fundamentally accurate and that the resulting system is theologically coherent The book also argues that this view is not a Baptist novelty but is rather a recovery of the foundational Baptist thought of the seventeenth century

Christian Theology Adam Harwood,2022-10-19 The church has been

entrusted with God's revelation and to steward the word of truth we must confess the Bible's teaching with clarity and conviction Adam Harwood's *Christian Theology* is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions *Christian Theology* will equip students and pastors to clarify and articulate what they believe and why
