International Who's Who in Poetry 2004 Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets *The Collected Writings of Franz Liszt: F. Chopin* Janita R. Hall-Swadley, 2011-07-15 Shortly after Chopin's death in 1849 Franz Liszt wrote the first full length biography of his fellow composer As one of Chopin's friends Liszt created a unique biography that allows the reader to experience the world of Chopin through the memories of one of his most adamant supporters This translation is the starting volume of Janita Hall Swadley's *The Collected Writings of Franz Liszt* the very first production of Liszt's entire literary collection in English In addition to the English translation of Liszt's *Gesammelte Schriften* collected and edited by Lina Ramann and published in Germany in 1880-83 each volume contains a Foreword written by a scholar and expert on Liszt and that volume's topic New research and perspectives in the field of Liszt studies are presented in the introduction to each book in the series and the translations themselves are enhanced with

annotations in accordance with modern standards of musicological research In Volume 1 Liszt provides insight into Chopin's early childhood and musical development the cultural traditions and customs that inspired the polonaises and mazurkas and the final days and hours of the composer before he died Liszt also offers the reader a psychological view of the composer that had not been seriously undertaken by anyone prior to Liszt Although Liszt offered what some scholars regard as perhaps an idealized image of the composer readers will enjoy the personal anecdotes and memories that only one close to the late composer could have known Liszt even takes on the sensitive topic of the love affair between Chopin and the great French woman writer George Sand much to the displeasure of the former's family The Collected Writings of Franz Liszt Volume 1 F Chopin includes a thorough discussion of Liszt as an author and the tainted past that surrounded his writings beginning in the 1930s The much neglected topic of Liszt's relationship with his publishers is explored and the critical questionnaires that Liszt had sent to Chopin's sister in preparation for writing the biography are included Finally a discussion of the professional and personal relationship between Chopin and Liszt is provided making this volume a valuable addition to the study of both composers
