Skilled Trainer Methods Tools And Techniques:

Methods for Training Cognitive Skills in Battlefield Situation Assessment Jared T. Freeman, 1997 Situation assessment provides the basis for decisions by battlefield commanders and their staff during both planning and operations In previous work we developed a framework for battlefield commanders situation assessment from interviews with active duty command staff and from published work in cognitive psychology The present report describes methods for training cognitive skills in situation assessment based on that framework Two training methods have been developed both of which focus on metacognitive skills involved in verifying and improving assessments and plans The first method helps officers find and assess the reliability of hidden assumptions It includes a devils advocate technique that forces officers to imagine that their assessment is wrong and to explain why as well as techniques for handling potential problems that are found The second method helps officers find and resolve conflicting evidence It includes techniques for trying to explain the conflicting data in terms of the current assessment evaluating the plausibility of the explanations and generating alternative assessments The training techniques have been experimentally tested with active duty officers and the results of that testing are described in a companion report *Training Methodology: Instructional methods and techniques* ,1969 **How to Write Terrific Training Materials** Jean Barbazette, 2013-04-17 Now you can access Jean Barbazette s systematic process for creating winning training materials that will help raise your skills to the next level The book is filled with easy to use tools and templates that answer all the questions trainers course designers and subject matter experts SMEs have about what it takes to develop training materials and how they can easily create the best training program in the shortest amount of time Jean is a master at providing her readers with new ideas and innovative approaches to the art of delivering excellent learning solutions Our field has gone through so many changes and Jean is on top of them and out in front all at the same time Bravo Beverly Kaye founder chairman of the board Career Systems International and coauthor of Help Them Grow or Watch Them Go Barbazette has done it again she has made your job easier with step by step guidelines for developing training materials Jean covers the entire process in her typical easy to follow manner simplifying the complicated and making you the hero Don t miss this one Elaine Biech ebb associates inc and author of The Business of Consulting Once again master trainer Barbazette has provided an elegantly simple step by step guide to what can often be the most tedious part of the training process writing training materials that support and expand a learner s results Both seasoned professional and newcomer will find this an easy to follow guide and valuable resource to be used over and over Eileen McDargh president McDargh Communications and author of Talk Ain t Cheap It s Priceless Barbazette is back to fill another gap in the training literature This extensive work on how and when to write training materials is chock full of templates and other tools Systematic and thorough this is an exceptional guide for those wanting to efficiently create successful training interventions Jane Bozarth Ed D eLearning Coordinator State of North Carolina and author of Better Than Bullet Points [Training Needs Assessment](#)
