Sky Ray Lolly:

Sky ray lolly Fiona Pitt-Kethley,1990 **The Poetry of Bloody Sunday** Kübra Özermiş,2025-09-29 As a turning point that changed the course of the Troubles the Bloody Sunday massacre continues to define ongoing debates about the legacy of the Troubles and the impact of state violence Bloody Sunday has been at the centre of numerous cultural and literary expressions which deal with the grief and trauma of the massacre such as murals songs plays and poetry This volume is the first comprehensive study of the poetry of Bloody Sunday written by critically acclaimed Irish poets including Seamus Heaney Paul Muldoon Thomas Kinsella Seamus Deane and Medbh McGuckian By focusing on poems written between 1972 and 2015 this book examines each poet s attempt to find an apt way of articulating the anger trauma and grief over the massacre with most of the poets continuously returning to the shooting in their poetry throughout their careers The monograph outlines how in the face of adversity the poets draw on old Irish literary traditions such as Gaelic laments and Aisling poetry which offer an indigenous anti colonial and counter hegemonic response to a massacre that was experienced as a colonial aggression It also discusses the complex relationship between poetry and politics and the negotiation between aesthetic freedom and the moral obligation to write about Bloody Sunday **Life's Lottery** Kim Newman,2014-04-22 A brand new edition of Life s Lottery an exciting speculative fiction novel that invites the reader to assume the role of the protagonist A role playing novel that reveals how small decisions can have monumental consequences If you choose the right possibilities you may live a long happy life or be immensely rich or powerful or win the lottery If you make other choices you may become a murderer die young make every mistake possible or make no impression on life at all The choice is yours *Trespass* D. J. Taylor,2015-07-28 A wanderer struggles to understand his uncle s downfall six years after a financial catastrophe George Chell has never met a man as witty as charming or as brilliant as his uncle Edward Chell was a financial titan ruling over a kingdom of profit with an emperor s savage grace until a stock market crash revealed that everything he had was built on sand It destroyed both empire and emperor in one fell swoop and nephew George was cast out into the world in the aftermath For six years he has wandered Britain staying in grubby hotels and trying as hard as he can to forget his uncle But when an article in the Financial Times reminds him of all he has lost George has no choice but to confront the past in an attempt to understand the disaster that upended his life Raised in the provincial backwater of a Norwich council flat George was dazzled by the bright lights of the London financial world but to save himself he will have to look at that world with new eyes **The Whole & Rain-domed Universe** Colette Bryce,2014-09-11 The Whole Bryce turns her clear singing line to darker ends than she has before describing not just the warmth and eccentricity of family and the claustrophobia of home life but also the atmosphere of suspicion and the real and present threat of terrible violence Bryce is one of the most widely acclaimed poets of the post Heaney generation and this is her most directly personal and compelling work to date *Poetry Today* Anthony Thwaite,2016-04-15 This is the most authoritative and up to date survey of contemporary British poetry 1960

1995 It is the third version but second edition published by Longman of a successful survey that first appeared 30 years ago and provides a succinct and accessible overview of British poets movements and themes ideal for English courses and the general reader alike

Allen's Dictionary of English Phrases Robert Allen,2008-08-07 Allen s Dictionary of English Phrases is the most comprehensive survey of this area of the English language ever undertaken Taking over 6000 phrases it explains their meaning explores their development and gives citations that range from the Venerable Bede to Will Self Crisply and wittily written the book is packed with memorable and surprising detail whether showing that salad days comes from Antony and Cleopatra that flavour of the month originates in 1940s American ice cream marketing or even that we ve been calling a spade a spade since the sixteenth century Allen s Dictionary of English Phrases is part of the Penguin Reference Library and draws on over 70 years of experience in bringing reliable useful and clear information to millions of readers around the world making knowledge everybody s property

An Encyclopedia of Swearing Geoffrey Hughes,2015-03-26 This is the only encyclopedia and social history of swearing and foul language in the English speaking world It covers the various social dynamics that generate swearing foul language and insults in the entire range of the English language While the emphasis is on American and British English the different major global varieties such as Australian Canadian South African and Caribbean English are also covered A Z entries cover the full range of swearing and foul language in English including fascinating details on the history and origins of each term and the social context in which it found expression Categories include blasphemy obscenity profanity the categorization of women and races and modal varieties such as the ritual insults of Renaissance flyting and modern sounding or playing the dozens Entries cover the historical dimension of the language from Anglo Saxon heroic oaths and the surprising power of medieval profanity to the strict censorship of the Renaissance and the vibrant modern language of the streets Social factors such as stereotyping xenophobia and the dynamics of ethnic slurs as well as age and gender differences in swearing are also addressed along with the major taboo words and the complex and changing nature of religious sexual and racial taboos

Selected Poems Colette Bryce,2017-04-20 Shortlisted for the Poetry Pigott Prize in association with Listowel Writers Week Through four highly acclaimed collections Colette Bryce has steadily consolidated her position as one of the most important of the younger generation of Irish poets Possessed of a preternaturally acute ear and eye Bryce is the recorder and observer of tense times perhaps no contemporary poet has better mapped the fault lines of nation and family of love and tribal loyalty of landscape and border In all this Bryce again and again declares the primacy of song as a redemptive practice and a glorious end in itself no voice is more accurately pitched or effortlessly musical Selected Poems draws together the best of her poetry from The Heel of Bernadette to The Whole Rain domed Universe winner of the Ewart Biggs Award and is a marvellous introduction to the range and sweep of Bryce s work

THE MAN FROM THE DIOGENES CLUB Kim Newman,2017-12-26 CAN T ELIMINATE THE IMPOSSIBLE Send for the man from the Diogenes Club The debonair psychic investigator Richard Jeperson

is the Most Valued Member of the Diogenes Club the least known and most essential branch of British Intelligence While foiling the plot of many a maniacal mastermind he is chased by sentient snowmen and Nazi zombies investigates an unearthly murderer stalking the sex shops of 1970s Soho and battles a poltergeist to prevent it triggering nuclear Armageddon But as a new century dawns can he save the ailing Diogenes Club itself from a force more diabolical still Newman s ten mischievous tales with cameos from the much loved characters of the Anno Dracula universe will entertain fans and newcomers alike
