Slightly Beyond Skepticism Social Science And The Search For Morality:

Slightly Beyond Skepticism Leonard William Doob,1987 Slightly Beyond Skepticism Leonard William Doob,

Whose Keeper? Alan Wolfe,2023-11-10 *Whose Keeper* is a profound and creative treatise on modernity and its challenge to social science Alan Wolfe argues that modern liberal democracies such as the United States and Scandinavia have broken with traditional sources of morality and instead have relied upon economic and political frameworks to define their obligations to one another Wolfe calls for reinvigorating a sense of community and thus a sense of obligation to the larger society This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989 *Handbook for Teaching Statistics and Research Methods* Mark E. Ware,Charles L.

Brewer,2013-11-26 This volume presents a collection of articles selected from *Teaching of Psychology* sponsored by APA Division 2 It contains the collective experience of teachers who have successfully dealt with students' statistics anxiety resistance to conducting literature reviews and related problems For those who teach statistics or research methods courses to undergraduate or graduate students in psychology education and the social sciences this book provides many innovative strategies for teaching a variety of methodological concepts and procedures in statistics and research methods courses

Handbook of Demonstrations and Activities in the Teaching of Psychology Mark E. Ware,David E.

Johnson,2013-11-26 For those who teach students in psychology education and the social sciences the *Handbook of Demonstrations and Activities in the Teaching of Psychology* Second Edition provides practical applications and rich sources of ideas Revised to include a wealth of new material 56% of the articles are new these invaluable reference books contain the collective experience of teachers who have successfully dealt with students' difficulty in mastering important concepts about human behavior Each volume features a table that lists the articles and identifies the primary and secondary courses in which readers can use each demonstration Additionally the subject index facilitates retrieval of articles according to topical headings and the appendix notes the source as it originally appeared in *Teaching of Psychology* the official journal of the Society for the Teaching of Psychology Division Two of the American Psychological Association Volume I consists of 97 articles about strategies for teaching introductory psychology statistics research methods and the history of psychology classes Divided into four sections one for each specialty the book suggests ways to stimulate interest promote participation grasp psychological terminology and master necessary scientific skills Social Movements Stanford M. Lyman,1995 Social movements have shown themselves to be one of the most dramatic and effective forms of political action America founded as the result of a challenge to one kind of political order has been in part recreated as a result of movements of collective protest Social movements continue to arise in America Europe Asia and Africa In the present age when such social

movements abound it is crucial to investigate the theoretical similarities and underpinnings of older and current collective protests With chapters on AIDS the Iranian revolution the New Left environmentalism and many other subjects as well as essays delineating classical and contemporary theories *Social Movements* provides a well rounded and provocative perspective on this most compelling form of political expression **Kirkus Reviews** ,1987 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children s section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical **The Philosopher's Index** ,2007 Vols for 1969 include a section of abstracts **The Journal of Philosophy** ,1988
