Soloing Realizing Your Lifes Ambition:

Soloing Harriet Rubin, 2010-10-26 Soloing has two meanings going it alone and being complete in yourself But you don't just leave a company a career a paycheck and cross over to a more satisfying life There's more to it There is a mysterious passage to be negotiated a delicate transition required to go from alone in the desert to complete in yourself Harriet Rubin bestselling author of *The Princessa Machiavelli for Women* returns with inspiring advice for professionals dreaming of crossing over from a corporate world of prescribed boundaries to the limitless opportunities of soloing She describes how people can do great things things they would never be able to accomplish inside the corporate structure when they manage or lead no one As one successfully navigates the passage toward a truer sense of self that Rubin describes four invaluable freedoms await The first freedom is regaining your sense of identity Walk out of any big company and who are you stripped of that mighty identity Potentially bigger and better than before Who were you before the corporate you To get back one's sense of self is why people go solo The second freedom is independence Why is working alone so important in doing great work given that it's also the scariest part Imagine having complete command and control over your time and the work you do This is how soloists realize their great strengths They are reduced to themselves The third freedom is income You can earn in one year what you earned in two before Do you work harder to do this Yes Do you enjoy it more Yes Solo money is alive Unlike a salary doled out like an allowance from parents the money earned by soloing is a true emblem of a person's worth The fourth freedom is illumination A professional builds a career but a soloist builds a portfolio and a life free of boredom full of challenge Direct contact with work itself is direct contact with life With insights as diverse as Henry David Thoreau's I want to be sure the world doesn't change and Michael Jordan's response to the statement There's no I in team That's right but there is an I in win Rubin gives readers the chance to bring their dreams into alignment with reality **Professional**

Practice for Interior Designers Christine M. that no interior designer can afford to be without **On Spiritual Strivings** Cynthia B. Dillard, 2012-02-01 Winner of the 2008 Critics Choice Awards presented by the American Educational Studies Association This engaging book offers a personal look at how centering spirituality in an academic life transforms its very foundations its epistemology paradigm and methods and becomes the site for spiritual healing and service to the world Focusing primarily on her work in Ghana West Africa Cynthia B Dillard presents a unique perspective on Africa as a site for transformative possibilities for African American academics scholars and explores the deeper spiritual meanings of being African Through poetry personal narrative meditations and journal entries Dillard shares her experiences as an African American scholar and in the process provides a concrete example of what W E B Du Bois called spiritual strivings **Goal Sisters** Ann Leach, Michelle Beaulieu Pillen, 2004 This exciting book explains how to find and work with a goal sister or a group of them to set and achieve goals from changing careers to losing weight to starting a relationship The Perfect Fit Lynne Henderson Marks, Dominique Isbecque, 2002-10 Image Consulting has been identified as one of the top home based professions for the new millennium This is the first book that outlines in detail how to design an image consulting business the training you will need and how to market and promote your services Also included is a section on resources sample documents media lists and consulting tools and training This is a MUST HAVE if you want to start a successful image business The Entrepreneurial Self Ulrich Bröckling, 2015-11-09 This is a book about who we are today and how we have become who we are It is about the engineers of the modern soul the entrepreneurial self It is essential reading for all those who care about the incessant demands placed on us to become more than we are to become entrepreneurs of our selves to maximise and optimise our capacities in ways that align personal identity and political responsibility Professor Peter Miller London School of Economics Political Science Ulrich Bröckling claims that the imperative to act like an entrepreneur has turned ubiquitous In Western society there is a drive to orient your thinking and behaviour on the objective of market success which dictates the private and professional spheres Life is now ruled by competition for power money fitness and youth The self is driven to constantly improve change and adapt to a society only capable of producing winners and losers The Entrepreneurial Self explores the series of juxtapositions within the self created by this call for entrepreneurship Whereas it can expose unknown potential it also leads to over challenging It may strengthen self confidence but it also exacerbates the feeling of powerlessness It may set free creativity but it also generates unbounded anger Competition is driven by the promise that only the capable will reap success but no amount of effort can remove the risk of failure The individual has no choice but to balance out the contradiction between the hope of rising and the fear of decline Ulrich Bröckling is Professor of Cultural Sociology at the Albert Ludwigs University Freiburg Germany **Working Identity** Herminia Ibarra, 2004-01-05 How Successful Career Changers Turn Fantasy into Reality Whether as a daydream or a spoken desire nearly all of us have entertained the notion of reinventing ourselves Feeling unfulfilled burned out or just plain unhappy with what we're doing we long to make that leap into the unknown But

Cobe,2002 This is the must have how to primer for any mother who wants to work from home with advice and helpful hints on balancing work time and mom time making the difficult transition from corporate to home office legal information time planning and organization networking effectively and much more Full of examples of mothers who have carved out successful home based businesses this helpful book provides easy to follow instructions for joining the ranks Alice Bredin syndicated Working at Home columnist and author of The Virtual Office Survival Handbook **The British National Bibliography**
