The Habsburg Curse:

The Habsburg Curse Hans Holzer,1973 Traces the influence on various Habsburg descendants of an eleventh century curse leveled against the one ruling family of Austria **The Habsburg Curse** Hans Holzer,1974 The Amityville Curse Hans Holzer,2022-10-25 Basis for the 2023 movie THE ROOTS OF EVIL The house in Amityville does not lie empty Its eternal resident is evil an age old horror that waits anxiously with an unspeakable hunger Now three young couples are looking over the property the house With ignorant confidence they move in but cannot get out The evil springs from centuries of sacred earth to twist their thoughts abuse their deepest fears and introduce them to the terrifying powers of blood Forever indebted to death is THE AMITYVILLE CURSE Hitler and the Habsburgs James Longo,2018-11-06 A detailed and moving picture of how the Habsburgs suffered under the Nazi regime scrupulously sourced well written and accessible Publishers Weekly starred review It was during five youthful years in Vienna that Adolf Hitler s obsession with the Habsburg Imperial family became the catalyst for his vendetta against a vanished empire a dead archduke and his royal orphans That hatred drove Hitler s rise to power and led directly to the tragedy of the Second World War and the Holocaust The royal orphans of Archduke Franz Ferdinand offspring of an upstairs downstairs marriage that scandalized the tradition bound Habsburg Empire came to personify to Adolf Hitler and others all that was wrong about modernity the twentieth century and the Habsburgs multi ethnic multi cultural Austro Hungarian Empire They were outsiders in the greatest family of royal insiders in Europe which put them on a collision course with Adolf Hitler As he rose to power Hitler s hatred toward the Habsburgs and their diverse empire fixated on Franz Ferdinand s sons who became outspoken critics and opponents of the Nazi party and its racist ideology When Germany seized Austria in 1938 they were the first two Austrians arrested by the Gestapo deported to Germany and sent to Dachau Within hours they went from palace to prison The women in the family including the Archduke s only daughter Princess Sophie Hohenberg declared their own war on Hitler Their tenacity and personal courage in the face of betrayal treachery torture and starvation sustained the family during the war and in the traumatic years that followed Through a decade of research and interviews with the descendants of the Habsburgs scholar James Longo explores the roots of Hitler s determination to destroy the family of the dead Archduke and uncovers the family members courageous fight against the F hrer The Curse of Ham in the Early Modern Era David M. Whitford,2017-07-05 This book explores the biblical story of the Curse of Ham and its relationship to the defence of slavery It shows how during the Reformation period the story began to be interpreted in new ways that provided justification for the rapidly expanding and extremely lucrative Trans Atlantic slave trade Skilfully weaving together elements of theology literature and history this book not only provides a fascinating insight into the ways that issues of religion economics and race could collide in the Reformation world but also provides essential reading for anyone wishing to try to comprehend the origins of arguments used to justify slavery and segregation right up to the 1960s **Ruthless Rulers** C.S. Denton,2016-07-29 Throughout

history all monarchs have lived with the same dichotomy of simultaneously being human and more than human In our time when monarchs seem little more than tourist curiosities and democracy is taken for granted it is easy to forget just how much power pre democratic rulers once wielded The rulers and holders of political power in this book were all possessed of vast in many cases absolute power power which was often exercised arbitrarily and unjustly What unites the figures in this book is that they all in one way or another failed to live up to the extravagantly high hopes invested in them and as a consequence have been judged harshly by history A few such as George III might have been remembered more kindly were it not for mental illness changing their status from that of hero to villain Some like Louis XVI were unfairly transformed into monsters by hostile propaganda while others such as Peter the Great have been both celebrated as heroes and denounced as tyrants often in the same breath Finally there are those rulers who like Caligula or Ivan the Terrible may well fully deserve their evil reputations Ruthless Rulers is a study in how often rulers were carried away or overwhelmed by their exalted status while a few were even driven over the edge into madness
