It is based upon years of experience and research and was written in consultation with orthodox highly credentialed theologians, biblical scholars, clinicians, and attorneys. It is written from an evangelical Anglican perspective but it will also be useful for other traditions. The manual describes various kinds of demonic attacks and discusses the reasons to involve medical and mental health professionals. Providing practical guidance for the deliverance ministry, it includes diagnostic procedures, insight into the makeup and training of a ministry team, the appropriate use of liturgies, pastoral care for victims and deliverance ministers, and legal considerations. The book devotes special attention to exorcisms, emphasizing the importance of a teamwork approach and the necessity of thorough preparedness, including an awareness of different strategies which demons may use to thwart exorcists. Rounding out the manual is a series of accessible biblical step by step instructions to assist ministers in helping others find freedom in Christ from demonic attacks. A Minister's Manual for Spiritual Warfare is a must have for any Christian minister involved in deliverance ministry.

Spirit Possession and Communication in Religious and Cultural Contexts Caroline Blyth, 2020-11-29 Spirit Possession and Communication in Religious and Cultural Contexts explores the phenomenon of spirit possession, focusing on the religious and cultural functions it serves as a means of communication. Drawing on the multidisciplinary expertise of philosophers, anthropologists, historians, linguists, and scholars of religion and the Bible, the volume investigates the ways that spirit possession narratives, events, and rituals are often interwoven around communicative acts both between spiritual and earthly realms and between members of a community. This book offers fresh insight into the enduring cultural and religious significance of spirit possession. It will be an important resource for scholars from a diverse range of disciplines, including religion, anthropology, history, linguistics, and philosophy.

You wonder whether your teenager is taking drugs. Disagreements in your church are splitting it down the middle. If you feel like you're in a losing battle with yourself, others, or circumstances, you may be the target of spiritual attack. But there's good news for you: You can fight back and win. As an expert in the field of spiritual warfare, Tom White has equipped thousands of men and women to discern and combat demonic forces in their world. The Believer's Guide to Spiritual Warfare offers biblically sound, accurate, and balanced teaching on the unseen war being waged around us.
