Bible Understanding Made Easy Anthony L.

Norwood,2008-07-30 Bible Understanding Made Easy is a series of books used to inspire and teach the Word of God to sincere souls that are trying to draw closer to God This volume is dedicated to building understanding of the Old Testament portion of the Holy Bible Many of the worlds prominent religions are based on the teachings of the Old Testament including Judaism Christianity and Islam In fact Christian students of the Bible will have a hard time understanding the teachings of Jesus and His apostles without a firm foundational understanding of the Old Testament The method of teaching used in this book was purposely kept as simple as possible so that beginning students of the Bible can be inspired and build a rich foundation of understanding the Bible that will last a lifetime The main themes of each chapter and many times entire books of the Bible are presented to help one understand particular verses that may confuse sincere students of the Bible Lastly as an added bonus there are many life application style mini lessons that Christians of today can use to help build faith encourage and inspire sincere folks to maintain a personal relationship with Jesus Christ For ordering within the United States of America and outside of the United States of America please call toll free in the U S 1 888 795 4274 or Email XLibris at orders xlibris com The easiest way would be to add the book to your shopping cart above and order online as another alternative Normally you may pay using your nations own currency i e the U S dollar the British pound Euro etc Please call or Email XLibris Corporation for currency exchange rates Please also explore the next in this series called Bible Understanding Made Easy Volume 2 Matthews Gospel available now click here to be taken to volume 2 *"Pathways 2 Truth: A Devotional for Hardcore Believers"* Nicholas Carl Moore,2014-07-17 P2T has been written as a non traditional spiritual devotional dedicated to provoking the reader toward truth in the Word of God Our daily experiences are our catalyst to share the love of God through Christ Jesus You have heard it said that you are what you eat To that end P2T is an all you can eat spiritual buffet Bon a petite End Times Made Easy Joseph Morris,2022-06-21 75 Signs of Jesus Soon Return As the world grows more volatile with looming wars rampant pandemics and violence in the streets many people are wondering Is the end near YES But it s wonderful news Jesus is coming soon Sure there is plenty of bad news on the horizon but not for the Christian Jesus rsquo *DECODING GOD PUZZLE* Andy,2016-09-17 IN HIS OWN WORDS Mysteries haunting mankind intrigue me the most and I like writing about them DECODING GOD as the name suggests the book is about explaining the mysterious god phenomenon that prevails in our society I ve taken a simple direct approach to explaining the god phenomenon by taking help from research work done by others This book is written in such a way that everyone can understand it irrespective of his or her background in the subject The book has been made concise so that it remains interesting to read Furthermore this book does not deal with the denial or acceptance of the existence of god but rather with the extent of god s influence It is this phenomenon that I question ANDY *God and the New Atheism* John F. Haught,2008-02-15 In God and the New Atheism a

world expert on science and theology gives clear concise and compelling answers to the charges against religion laid out in recent best selling books by Richard Dawkins *The God Delusion* Sam Harris *The End of Faith* and Christopher Hitchens *God Is Not Great* For some these new atheists appear to say extremely well what they believe to be wrong with religion But as John Haught shows the treatment of religion in these books is riddled with logical inconsistencies shallow misconceptions and crude generalizations Can God really be dismissed as a mere delusion Is faith really the enemy of reason And does religion really poison everything God and the New Atheism offers a much needed antidote to the extremist claims of scientific fundamentalism This provocative and accessible little book will enable readers to see through the rhetorical fog of this recent phenomenon and come to a clearer understanding of the issues at stake in this crucial debate **Open Mike** Michael Eric Dyson, 2008-08-04 Here collected for the first time are interviews and essays representing Michael Eric Dyson's most important thinking on race and identity Exploring such topics as whiteness as seen through a black man's eye modernism and postmodernism in black culture and the emancipating role of black music from the plantation to the ghetto *Open Mike* is a perfect introduction to Dyson's work and a must have for students and scholars in African American Studies and Cultural Studies **Crumbs from the Master's Table** G. M. Spotts, 2011-06-07 The life of a Christian is often a balancing act It is a constant battle between the flesh and the spirit Pastor Spotts has provided the reader with more than a series of meditations The 60 daily readings encompassed in this book are instead teachings from a pastor to his flock on how to live a balanced and healthy life in the Lord These *Crumbs from the Master's Table* are just that tiny pieces of the Word of the Lord that bring healing to the hungry soul **A John Haught Reader** John F. Haught, 2018-11-06 Classical Christian theologies came to expression at a time when the universe seemed relatively fixed and unchanging The otherworldly spiritual instincts of many religions reflected a static vertical and hierarchical understanding of the natural world Today however especially because of developments in the sciences it appears that the universe is still coming into being The writings offered in this book reflect their author's belief that if the universe is unfinished new thoughts about God and all the traditional theological topics are essential to make sense of it all John Haught argues that the universe is best understood according to the metaphor of drama rather than design This means that the most important question in science and theology today is not whether the intricate complexity of life points to a deity or even how God acts in nature but whether the cosmic drama as a whole carries a meaning Unfortunately the devotional life of most religious people on our planet still presupposes an essentially immobile universe Christian instruction for example continues to nurture an otherworldly piety that estranges nature unnecessarily from God The readings in this book however suggest that the ancient Abrahamic hope for the coming of God from out of the future may now become the foundation of a scientifically up to date theology of nature that affirms divine transcendence without robbing nature of its significance *Athenagoras* David Rankin, 2016-04-08 *Athenagoras* of Athens was a Christian thinker of the second century who engaged with contemporary philosophical thought in the matters of the divine and the

relationship of that divine to the material world While clearly a Christian apologist Athenagoras presents doctrines of God of the Holy Trinity and of other theological matters which clearly evidence an engagement with Greek philosophical thought which goes beyond the merely linguistic and embraces the notion of God as true being Athenagoras is a Church Father who has not been given great attention in twentieth century and early twenty first century scholarship This book explores Athenagoras undeniable place in the development of Christian thought on the divine on the Trinity on the human person and on the resurrection His work provides an important link between the mid second century and the work of Justin and that of the third century Christian theologians of the East
