The Faith Factor Dale A. Matthews, Connie Clark, 1999-04-01 Drawing from the latest scientific research as well as
numerous illustrative case studies *The Faith Factor* offers convincing proof that religious practices can and do enhance the
healing powers of medicine And nationally renowned physician Dale A Matthews offers a program any patient can follow to
incorporate faith into their own healing Dr Matthews points out that encouraging an integration of religious beliefs and
practices in medical settings can have important benefits for the entire medical community from patients and doctors to
national health policy makers He shows how the national trend toward rediscovering religious values has led many patients
to use prayer in conjunction with conventional treatment and that the results have already confirmed that faith and religious
practice can be valuable medicine Finally Dr Matthews helps readers explore the connection between faith and medicine in
their own lives through methods of prayer community worship and study of Scripture *Understanding the Healing Power
