Good Death Through Time Caitlin Mahar,2023-02-07 I have quite a bit of understanding of white man s ways but it is difficult for me to understand this one A Senate committee investigation of Australia s Northern Territory Rights of the Terminally Ill Act 1995 the first legislation in the world which allowed doctors to actively assist patients to die found that for the vast majority of Indigenous Territorians the idea that a physician or anyone else should help end a dying suffering person s life was so foreign that in some instances it proved almost impossible to translate This book explores how such a death became a thinkable even desirable way to die for so many others in Western cultures Though euthanasia meaning good death derives from ancient Greece for the Greeks this was a matter of Fate or a gift the gods bestowed on the virtuous or simply lucky Caring for the dying was not part of the doctor s remit For the Victorians a good death meant one blessed by God and widespread belief in a divine design and the value of suffering created resistance to new forms of pain relief And today while most in the Western world cleave to the modern medical view that pain is an aberration to be where possible eliminated complex cultural ethical and practical questions regarding what makes for a good death remain As Caitlin Mahar memorably shows in *The Good Death Through Time* understanding the radical historical shift in Western attitudes to managing dying and suffering helps us better grasp the stakes in today s contestations over what it means to die well

The History of the Health Care Sciences and Health Care, 1700-1980 Jonathon Erlen,1984 5004 entries to selected monographic and serial literature that guide the reader through the history of science and technology International subject coverage Introduction discusses sources of references Arrangement is by MeSH 1980 subject headings An asterisk indicates an academic thesis or dissertation Each entry gives the bibliographical information and brief annotation Index Library of Congress Catalogs

Library of Congress,1981 **Biographical Dictionary of the Australian Senate Volume 1** Ann Millar,1996-10-08 The Biographical Dictionary of the Australian Senate covers the period 1901 1929 the period in which the Parliament operated from Melbourne This first volume provides short articles on Australia s Senators during the first thirty years of the Federal Parliament These entries place particular emphasis on the events of a Senator s parliamentary experience contributions to debates committee work parliamentary positions as well as ministerial appointments It provides also a window on the colonial and post colonial societies in which these ninety nine Senators and their three Clerks lived and worked It explains how miners merchants constitutionalists soldiers printers trade unionists adventurers and pastoralists became Senators and how in an essentially egalitarian society they melded together as Australia s first federal parliamentarians It tells of their work as legislators during a period when Australia was making a unique contribution to democracy itself and reveals the excitement felt by conservatives and non conservatives alike as they shaped the beginnings of an Australian nation The

contribution of these Senators to Australian public life was immense The Federationists Richard Baker John Downer Thomas Playford Richard O Connor James Walker Henry Dobson William Trenwith Simon Fraser Josiah Symon and William Zeal retain some elements of notoriety Others such as the South Australian farmer William Russell or Charles Montague Graham a tailor on the Western Australian goldfields were soon forgotten even in their own time The Biographical Dictionary of the Australian Senate reveals to a new generation the influence and the significance of men who came from all sides of politics and the social spectrum and were able parliamentarians and true representatives of the democratic process This readable and authoritative work of reference will provide readers with a biographical account of all Australian senators and a history of the Senate since 1901 It makes a scholarly contribution to historical and parliamentary knowledge and fills many gaps in our knowledge of less well known senators whose careers have not been fully documented before

Federalism and the Response to COVID-19 Rupak Chattopadhyay, Felix Knüpling, Diana Chebenova, Liam Whittington, Phillip Gonzalez, 2021-11-29 The COVID 19 pandemic bared the inadequacies in existing structures of public health and governance in most countries This book provides a comparative analysis of policy approaches and planning adopted by federal governments across the globe to battle and adequately respond to the health emergency as well as the socio economic fallouts of the pandemic With twenty four case studies from across the globe the book critically analyzes responses to the public health crisis its fiscal impact and management as well as decision making and collaboration between different levels of government of countries worldwide It explores measures taken to contain the pandemic and to responsibly regulate and manage the health socio economic welfare employment and education of its people The authors highlight the deficiencies in planning tensions between state and local governments politicization of the crisis and the challenges of generating political consensus They also examine effective approaches used to foster greater cooperation and learning for multi level polycentric innovation in pandemic governance One of the first books on federalism and approaches to the COVID 19 pandemic this volume is an indispensable reference for scholars and researchers of comparative federalism comparative politics development studies political science public policy and governance health and wellbeing and political sociology
