The Heart Of Loving:

The Heart of Love (Large Print 16pt) John F. Demartini, 2011-04 Grounded in John Demartini's much loved teachings *The Heart of Love* helps you apply his trail blazing philosophy and revolutionary understanding of human behavior specifically to your relationships. If you're looking for your soul mate, want to reignite the spark in a longtime relationship, seeking to safeguard your marriage from infidelity, or are committed to creating more authentic friendships, family connections, and business relationships, then this book is for you. This book helps you understand what really drives human behavior in romance, business, and families, and assures you that you can have the kind of relationships you'd love to have, whether they're lasting or brief, intensely intimate or just for fun. Ultimately, this book aims to inspire you to fulfill the true purpose of your relationships, to wake you up to your own wholeness, the divine magnificence present in every human soul. It invites you into the heart of love, which transforms any relationship into one of gratitude and true fulfillment. *The Heart of Loving* Eugene C. Kennedy, 1973 *The Art of Loving* Evelyn Gajowski, 1992 The independence of their self-evaluation from conflicting male desire and repugnance for them accounts for their infinite variety. The uniqueness of Shakespeare's representation of heterosexual relations is his creation of female protagonists who are relational yet independent human beings. The empowered female protagonists of Shakespeare's comedies are rightly celebrated by compensatory feminist critics; the disempowered even victimized female protagonists of his tragedies are rightly noted by justificatory feminist critics. To view the marriages of the comic females as nothing more than submissions to patriarchy, Professor Gajowski contends, is to ignore the crucial significance in Shakespeare's texts of affiliative capacities of both sexes of the human animal. **The Art of Loving** Erich Fromm, 2000-04-01 Renowned psychoanalyst Erich Fromm has helped generations of men and women achieve rich and productive lives by developing their capacity to love. This centennial edition of his most enduring work salutes the valuable lessons that are Fromm's legacy. **Journey of the Heart** Catherine Ghosh, 2014-07-25 This book has woven together the voices of over seventy women of diverse ethnicities and traditions. In meditative and insightful poems, they offer us revealing glimpses of their souls engaged in meaningful dialogue with the world, others, themselves, and divinity. This spiritual poetry draws from the timeless wisdom, power, and beauty residing deeply within the hearts of all women. Emerging within archetypal themes that deliver valuable messages, the inspiring and uninhibited chorus of voices beckons us to journey along with them into the wild, mysterious, and uncharted territory of a woman's heart. In this beautiful volume of poetry, Catherine Ghosh gives us the voices of women's spiritual expressions across cultures. The many women who contribute their hopes, fears, visions, and life narratives to this volume fulfill the poet Muriel Rukeyser's injunction: Breathe in, experience, breathe out, poetry. Every woman and man will find poetry that speaks to the heart and the soul. I highly recommend this volume to anyone who values the poetry of women's lives and imaginations. Roberta Rosenberg, Professor of English and Co-Director of Women's and Gender Studies, Christopher Newport University, Virginia. This beautiful book of verses speaks of the
