The Herzog Affair Robert Derek Steeley,1980 "Martyr to the Truth" Charles J.T. Talar,2012-10-18 In his autobiography Joseph Turmel 1859 1943 has left an intensely personal account of his struggles to reconcile his Catholic faith with the results of historical critical methods as those impacted biblical exegesis and the history of dogma Having lost his faith in 1886 he chose to remain as a priest in the Church even while he worked to undermine its teachings He did so initially in writings published under his own name and as his conclusions became increasingly radical under a veritable team of pseudonyms He was excommunicated in 1930 His account of his life is less a discussion and defense of his ideas than it is a moral justification of his conduct Turmel is associated with the left wing of Roman Catholic Modernism along with Albert Houtin Marcel Hebert and Felix Sartiaux The Bettencourt Affair Tom Sancton,2018-08-07 An NPR Best Book of 2017 Heiress to the nearly forty billion dollar L Or al fortune Liliane Bettencourt was the world s richest woman and the fourteenth wealthiest person But her gilded life took a dark yet fascinating turn in the past decade At ninety four she was embroiled in what has been called the Bettencourt Affair a scandal that dominated the headlines in France Why It s a tangled web of hidden secrets divided loyalties frayed relationships and fractured families set in the most romantic city and involving the most glamorous industry in the world The Bettencourt Affair started as a family drama but quickly became a massive scandal uncovering L Or al s shadowy corporate history and buried World War II secrets From the Right Bank mansions to the Left Bank artist havens and from the Bettencourts servant quarters to the office of President Nicolas Sarkozy all of Paris was shaken by the blockbuster case the shocking reversals and the surprising final victim It all began when Liliane met Fran ois Marie Banier an artist and photographer who was in his youth the toast of Paris and a prot g of Salvador Dal Over the next two decades Banier was given hundreds of millions of dollars in gifts cash and insurance policies by Liliane What exactly was their relationship It wasn t clear least of all to Liliane s daughter and only child Fran oise who became suspicious of Banier s motives and filed a lawsuit against him But Banier has a far different story to tell The Bettencourt Affair is part courtroom drama part upstairs downstairs tale and part characterdriven story of a complex fascinating family and the intruder who nearly tore it apart **An Introductory Guide to EC Competition Law and Practice** Valentine Korah,1994 Kingdom Tom Martin,2009-01-09 When the Abbot spoke his voice was thin and resigned It is the end of our monastery By nightfall I will be dead and our walls will lie shattered A terrible evil is coming from the forest A monastery in Tibet is overrun with Chinese soldiers searching for a sacred relic The monks flee to seek refuge in hidden caves but their progress is hampered by an injured stranger whose presence threatens them all Journalist Nancy Kelly receives a parcel containing a mysterious trumpet made of bone and hears an account of a Westerner penetrating into a hidden kingdom in Tibet where orchids cover the earth pagodas hug the hills and soaring cathedrals hide underground Soon she embarks on a dangerous journey into an ancient land of myth and legend in search of a secret older than time itself *Customizing Indigeneity* Shane

Greene,2009-05-28 How do vision quests river locations and warriors relate to indigenous activism For the Aguaruna an ethnic group at the forefront of Peru s Amazonian Movement incorporating practices and values they define as customary allows them to shape their own experience as modern indigenous subjects As Shane Greene reveals this customization centers on the complex articulation of meaningful social practices cultural logics and the political economy of specialized production and consumption Following decades of engagement with and resistance to state mandated missionary education land titling and international advocacy networks the Aguaruna have faced numerous constraints in pursuit of their own political projects Based on first hand fieldwork Customizing Indigeneity provides a new theoretical language for the politics of indigeneity Documenting the dynamic between historical constraints and cultural creativity this work provides a fresh perspective on indigenous people s agency within evolving structures of inequality while simultaneously challenging common assumptions about scholarly engagement with marginalized populations **Singapore's Foreign Policy** Michael

Leifer,2013-07-04 In the years following its traumatic separation from Malaysia Singapore has risen to become one of the leading economic powers in Southeast Asia This economic strength has carried it through the recent East Asian economic crisis as well as providing the resources for an excellent defence capability Singapore s diplomatic achievements include relationships with countries across Asia and Europe and ensure its interantional status Yet despite this success Singapore s foreign policy has continued to be influenced by a deep seated sence of its own vulnerability Politicians from the first prime minister Lee Kuan Yew onwards have focused on Singapore s limited physical size potential domestic and international frailty due to racial tension and confirmed geographical location These factors have combined to create a powerful nation state which has never allowed itself to take its sovereign status for granted Singapore s Foreign Policy is the first full length English language study of this subject and is an essential resource for all those interested in Singapore s international role

Of Maurice Baker Maurice Baker,2014-07-25 For the life of a diplomat is often a variation of routine boredom and

exhilarating crises Maurice Baker is an academic and one of Singapore's pioneer diplomats Growing up in colonial governed Malaya and Singapore his profound love for great literature works inspired him to obtain an honors in English from King's college London in 1948 despite the cruelties faced during and after the Second World War Baker's humble beginnings and political consciousness earned him the friendship and respect of many diplomats during his missions to India in 1967 Malaysia in 1969 Philippines in 1977 and back to Malaysia in 1980 before retiring from his career as a diplomat in 1988 Between his diplomatic missions Baker returned to Singapore in 1972 to head the Department of English at the University of Singapore for five years This is Baker's story of how he came to be The Accidental Diplomat With occasional poems and a sense of humor he candidly recounts the colourful romances of his life to his enriching encounters of diplomatic relations His portrayals of admiration for great leaders and men paint a vivid picture of the qualities that guided his beliefs proving that he was by no means an Accidental Diplomat in the eyes of others
