

A fantastical landscape painting by Gilbert Williams. In the center, a large, carved stone face of a woman with long, flowing hair is mounted on a cliff. The face has a serene expression. The cliff is covered in green moss and small trees. Below the cliff, a small island with more trees and a few small houses is visible. The island is surrounded by a body of water, likely a lake or a wide river. In the water, there are two white swans. The water is dark and reflects the light from the sky and the glowing lights scattered throughout the scene. In the background, there are more cliffs and mountains, some of which are also covered in green moss and small trees. The sky is a deep blue with some white clouds. The overall atmosphere is dreamlike and ethereal.
