

THE BOOK OF GENESIS

Second Edition

*An Introductory
Commentary*

RONALD F. YOUNGBLOOD

The Of Genesis An Introductory Commentary

Gordon Talbot

The Of Genesis An Introductory Commentary:

The Book of Genesis Ronald Youngblood, 1999-12-21 A thorough revision of Youngblood's two earlier studies *How it all Began* and *Faith of our Fathers* The Book of Genesis provides students with a vast resource for understanding the beginning of the universe marriage society redemption life sin and civilization Ronald Youngblood makes a profound application of the Genesis message to the issues of contemporary life

Genesis Andrew E. Steinmann, 2019-08-20 Genesis is a book of origins of the world of sin of God's promise of redemption and of the people of Israel It serves as a foundation for the New Testament's teaching that Jesus is the fulfillment of God's promise to humankind In this Tyndale Commentary Andrew Steinmann offers a thorough exegetical commentary on Genesis including a reconstructed timeline of events from Abraham's life through to the death of Joseph

Genesis: an Introduction and Commentary Derek Kidner, 1967 Wacky and ridiculous belief systems abound Members of the Heaven's Gate suicide cult believed they were taking a ride to heaven on board a UFO Muslim suicide bombers expect to be greeted after death by 72 heavenly virgins And many fundamentalist Christians insist the entire universe is just 6 000 years old Of course it's not only cults and religions that promote bizarre beliefs Significant numbers of people believe that aliens built the pyramids that the Holocaust never happened and that the World Trade Center was brought down by the US government How do such ridiculous views succeed in entrenching themselves in the minds of sane intelligent college educated people and turn them into the willing slaves of claptrap How in particular do the true believers manage to convince themselves that they are the rational reasonable ones and that everyone else is deluded This book identifies eight key mechanisms that can transform a set of ideas into a psychological flytrap The author suggests that like the black holes of outer space from which nothing not even light can escape our contemporary cultural landscape contains numerous intellectual black holes belief systems constructed in such a way that unwary passers by can similarly find themselves drawn in While such self sealing bubbles of belief will most easily trap the gullible or poorly educated even the most intelligent and educated of us are potentially vulnerable Some of the world's greatest thinkers have fallen in never to escape This witty insightful critique will help immunize readers against the wiles of cultists religious and political zealots conspiracy theorists promoters of flaky alternative medicines and various other nutcases by clearly setting out the tricks of the trade by which such insidious belief systems are created and maintained

Genesis Derek Kidner, 2019-08-20 In this classic work Derek Kidner not only provides a verse by verse exegetical commentary on Genesis but also lucidly handles the tough issues that the book raises Focusing on the study of Genesis on its own terms as a living whole Kidner uses clear prose and theological insight to highlight the theological themes of the nature of God humankind and salvation

Genesis 1-11 Ronald Hendel, 2024-09-03 The first volume of a groundbreaking two part commentary on the book of Genesis by leading biblical scholar Ronald Hendel The first eleven chapters of Genesis narrate the origin of the universe the creation of the first human beings the beginnings of moral reasoning society and culture and the cataclysmic global flood By showing how life

and civilization came into being Genesis 1 11 offers a richly drawn map for understanding the world as a meaningful cosmos and an ethical guide for human purpose and responsibility within it The culmination of over thirty years of research this long awaited study by leading Genesis scholar Ronald Hendel is the first comprehensive scholarly commentary on Genesis 1 11 in a generation Drawing on archaeological discoveries from Israel and the ancient Near East as well as contemporary methods of scholarship it presents a multilayered view of the classic text The extensive introduction notes and comments explore ancient textual versions and editions historical contexts literary style and design compositional history cosmology ethics and the book s interpretive life in Judaism and Christianity Featuring numerous illustrations this engagingly written commentary is an indispensable field defining guide to the first eleven chapters of the Bible **Genesis** Derek Kidner,1967 **A**

Theological Introduction to the Old Testament Prof. Walter Brueggemann, Prof. Bruce C. Birch, Prof. Terence E. Fretheim, David L. Petersen, 2011-12-01 This book has become a standard text in seminary and university classrooms The purpose of this second edition is to help readers come to a critically informed understanding of the Old Testament as the church s scripture This book introduces the Old Testament both as a witness of ancient Israel and as a witness to the church and synagogue through the generations of those who have passed these texts on as scripture The authors of this volume share a commitment to the interpretation of the Old Testament as a central resource for the life of the church today At the same time they introduce the Old Testament witness in a manner that honors the importance of biblical scholarship in helping students engage the variety of theological voices within the Old Testament This second edition gives special attention to deepening and broadening theological interpretations by including for example issues related to gender race and class It also includes more detailed maps and charts for student use **A Biblical-Theological Introduction to the Old**

Testament Miles V. Van Pelt, 2016-05-31 The Old Testament is not just a collection of disparate stories each with its own meaning and moral lessons Rather it s one cohesive story tied together by the good news about Israel s coming Messiah promised from the beginning Covering each book in the Old Testament this volume invites readers to teach the Bible from a Reformed covenantal and redemptive historical perspective Featuring contributions from twelve respected evangelical scholars this gospel centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God s plan to redeem the world through Jesus Christ *Introduction to the Hebrew Bible* John J. Collins, 2025-05-06 Introduction to the Hebrew Bible is one of the most reliable and widely adopted critical textbooks Enriched by decades of teaching it is aimed at motivated students regardless of their exposure to the Bible or faith commitments The 4th edition is supplemented in areas beyond historical criticism and answer questions crucial to students today **A Study of the Book of Genesis** Gordon Talbot, 1981 *An Introduction to the Old Testament* Charles Henry Hamilton Wright, 1890 **A Commentary on the Holy Scriptures** Johann Peter Lange, 1871 **Book of Genesis** Michael Fallon, 2008 **Introduction to the Old Testament, set of four books (Prophetic, Poetic, Pentateuch, Historical)** C.

Hassell Bullock, David Howard Jr., Herbert Wolf, 2007-09-01 This package contains all four books of An Introduction to the Old Testament set An Introduction to the Old Testament Historical Books An Introduction to the Old Testament Poetic Books An Introduction to the Old Testament Prophetic Books and An Introduction to the Old Testament Pentateuch In An Introduction to the Old Testament Historical Books incredible events amazing love stories larger than life personalities and deep theological implications and themes are just part of the treasure that awaits readers These books tell the story of the nation of Israel and the God who loves her punishes her and always brings this recalcitrant people back to Himself In An Introduction to the Old Testament Poetic Books C Hassell Bullock a noted Old Testament scholar delves deep into the hearts of the five poetic books offering readers helpful details such as hermeneutical considerations for each book theological content and themes detailed analysis of each book and cultural perspectives In An Introduction to the Old Testament Prophetic Books C Hassell Bullock presents a clear picture of some of history s most profound spokesmen the Old Testament prophets and the God who shaped them Our generational distance from the age of the prophets might seem to be a measureless chasm Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets but also the God who comprehends spans and transcends all time In An Introduction to the Old Testament Pentateuch Old Testament expert Herbert Wolf provides layreaders and scholars alike with a strong undergirding of understanding and knowledge in this introduction that reveals both the seriousness and excitement of the Pentateuch

Literature of Theology John Fletcher Hurst, 1896 Genesis Derek Kidner, 1967 **An Introduction to Theology**
 Alfred Cave, 1886 **British Museum Catalogue of printed Books** , 1887 **Outlines of Introduction to the Hebrew Bible** Alfred Shenington Geden, 1909 **A Literary Guide to the Bible** Laura Hulda Wild, 1922
