The Guns Talk Loud:

The Gun Talks Louder Than the Voice John Prendergast,1994 **Action Speaks Louder** Eric Lichtenfeld,2007-04-27 An authoritative and entertaining history of the action film **The Night of the Gun** David Carr,2012-12-11 David Carr was an addict for more than twenty years first dope then coke then finally crack before the prospect of losing his newborn twins made him sober up in a bid to win custody from their crack dealer mother Once recovered he found that his recollection of his lost years differed sometimes radically from that of his family and friends The night for example his best friend pulled a gun on him No said the friend to David s horror as a lifelong pacifist It was you that had the gun Using all his skills as an investigative reporter he set out to research his own life interviewing everyone from his parents and his ex partners to the policemen who arrested him the doctors who treated him and the lawyers who fought to prove he was fit to have custody of his kids Unflinchingly honest and beautifully written the result is both a shocking account of the depths of addiction and a fascinating examination of how and why our memories deceive us As David says we remember the stories we can live with not the ones that happened **The Gameshooter's Pocket Guide** Michael Brook,2005-10-05 The Gameshooter s Pocket Guide has been revised covering even more essentials of gameshooting It is a compact encyclopaedic compendium of facts rules shooting etiquette and lore for the use of both novice and seasoned gameshooters Chapters cover safety legal requirements choice of gun and equipment dress etiquette game seasons dogs teaching a novice rules for beginners and many other details that all gameshooters might need to know Appendices list useful addresses of representative organisations and shooting schools Information on shooting seasons shot sizes and essential safety points in the field are presented in tabular form for easy reference Gameshooting continues to attract a growing following making it all the more important that gameshooting enthusiasts learn and keep to hand the fundamental rules of field safety and behaviour This guide will serve as an ideal companion for gameshooters at all levels regardless of nationality wishing to avoid being a danger and embarrassment in the shooting field *Talking to the Dead* Harry Bingham,2012-09-25 A mesmerizing and thrilling novel perfect for fans of Tana French and Stieg Larsson that introduces a modern unforgettable rookie cop whose past is as fascinating and as deadly as the crimes she investigates NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Boston Globe The Seattle Times SHE KNOWS WHAT IT S LIKE At first the murder scene appears sad but not unusual a young woman undone by drugs and prostitution her six year old daughter dead alongside her But then detectives find a strange piece of evidence in the squalid house the platinum credit card of a very wealthy and long dead steel tycoon What is a heroin addicted hooker doing with the credit card of a well known and powerful man who died months ago This is the question that the most junior member of the investigative team Detective Constable Fiona Griffiths is assigned to answer But D C Griffiths is no ordinary cop She s earned a reputation at police headquarters in Cardiff Wales for being odd for not picking up on social cues for being a little overintense And there s that gap in her past the two year hiatus that

everyone assumes was a breakdown But Fiona is a crack investigator quick and intuitive She is immediately drawn to the crime scene and to the tragic face of the six year old girl who she is certain has something to tell her something that will break the case wide open Ignoring orders and protocol Fiona begins to explore far beyond the rich man s credit card and into the secrets of her seaside city And when she uncovers another dead prostitute Fiona knows that she s only begun to scratch the surface of a dark world of crime and murder But the deeper she digs the more danger she risks not just from criminals and killers but from her own past and the abyss that threatens to pull her back at any time **BONUS** This edition includes an excerpt from Harry Bingham s Love Story with Murders Praise for Talking to the Dead Gritty compelling a procedural unlike any other you are likely to read this year USA Today With Detective Constable Fiona Fi Griffiths Harry Bingham finds a sweet spot in crime fiction think Stieg Larsson s Lisbeth Salander Denise Mina s Paddy Meehan or Lee Child s Jack Reacher The writing is terrific The Boston Globe The mystery thriller genre is already so staffed with masterminds that it s hard to make room for another But along comes a book like Talking to the Dead and suddenly an unadvertised opening is filled This has the feel of something fresh and compelling New York Daily News A stunner with precision plotting an unusual setting and a deeply complex protagonist We have the welcome promise of more books to come about Griffiths The Seattle Times Recommended highly a riveting procedural thriller Library Journal starred review **The Old Dominion** George Payne Rainsford James,1903 **The Old Dominion: a novel.
