Silva,2022-08-29 A passionate and illicit affair awakens the sexual fire of a repressed man and an untouched woman Moving to a small town in Vermont was a fresh start for Sarah Clarke an author struggling with writer s block The reason for the change of scenery was to focus on her manuscript but an innocent dinner party connects her to a man who starts to dominate her sexual fantasies She s instantly drawn to the local priest and her lustful desire for him leads her into forbidden territory It was a time of crisis for Father Ben Michaels a man deeply devoted to his faith Recent doubts make him question his dedication His quiet orderly life is suddenly upended by the arrival of a mysterious woman to his town He becomes enthralled by her and cannot resist the temptation to live a double life of being a good shepherd and pursuing sinful passion What starts out as lustful infatuation blossoms into an erotic journey that will end in an intimate liberation The Cambridge History of Ireland: Volume 3, 1730-1880 James Kelly,Thomas Bartlett,2018-04-26 The eighteenth and nineteenth centuries was an era of continuity as well as change Though properly portrayed as the era of Protestant Ascendancy it embraces two phases the eighteenth century when that ascendancy was at its peak and the nineteenth century when the Protestant elite sustained a determined rear guard defence in the face of the emergence of modern Catholic nationalism Employing a chronology that is not bound by traditional datelines this volume moves beyond the familiar political narrative to engage with the economy society population emigration religion language state formation culture art and architecture and the Irish abroad It provides new and original interpretations of a critical phase in the emergence of a modern Ireland that while focused firmly on the island and its traditions moves beyond the nationalist narrative of the twentieth century to provide a history of late early modern Ireland for the twenty first century A New, Authentic, and Complete History of England ...
