

Slave or Free

Sacagawea

And...11 other problem-solving plays

by Frederick A. Woodress & Fred & Anne Blackmon Woodress

*Introductory comments by Cliff Robertson,
Academy Award, Emmy award winning actor*

"Impassioned"—"A most play of superior quality." — NY Times

Slave Or Free And 11 Other Problem Solving Plays

Introductory

Rosina Ehmann

Slave Or Free And 11 Other Problem Solving Plays Introductory:

Jose Marti: An Introduction O. Montero, 2004-04-16 Jose Marti Cuban national hero was one of Latin America's most influential literary and political figures There is currently no introductory overview to his complex body of works Jose Marti An Introduction offers such an introduction to Marti's most pertinent enduring ideas exploring his writing on race gender the relationship between Cuba and the US and issues of displacement and bilingualism The writing is accessible on the undergraduate level yet Montero does not oversimplify ambiguities and contradictions of Marti's work and life *Slaves, Masters, and the Art of Authority in Plautine Comedy* Kathleen McCarthy, 2009-01-10 What pleasures did Plautus heroic tricksters provide their original audience How should we understand the compelling mix of rebellion and social conservatism that Plautus offers Through a close reading of four plays representing the full range of his work *Menaechmi Casina Persa* and *Captivi* Kathleen McCarthy develops an innovative model of Plautine comedy and its social effects She concentrates on how the plays are shaped by the interaction of two comic modes the socially conservative mode of naturalism and the potentially subversive mode of farce It is precisely this balance of the naturalistic and the farcical that allows everyone in the audience especially those well placed in the social hierarchy to identify both with and against the rebel to feel both the thrill of being a clever underdog and the complacency of being a securely ensconced authority figure Basing her interpretation on the workings of farce and naturalism in Plautine comedy McCarthy finds a way to understand the plays patchwork literary style as well as their protean social effects Beyond this she raises important questions about popular literature and performance not only on ancient Roman stages but in cultures far from Plautus Rome How and why do people identify with the fictional figures of social subordinates How do stock characters happy endings and other conventions operate How does comedy simultaneously upset and uphold social hierarchies Scholars interested in Plautine theater will be rewarded by the detailed analyses of the plays while those more broadly interested in social and cultural history will find much that is useful in McCarthy's new way of grasping the elusive ideological effects of comedy Inequality and Stratification in the United States Robert A. Rothman, 1978 Monograph analyzing trends in social stratification in the USA reviews social theories on social stratification examines the dimensions of inequalities in income distribution and social status based on occupation sex ethnic group and race as well as relating economic implications and considers characteristics of social classes in the USA and patterns of social mobility Graphs references and statistical tables *The Problem of Democracy* Nancy Isenberg, Andrew Burstein, 2020-04-14 Told with authority and style Crisply summarizing the Adamses legacy the authors stress principle over partisanship The Wall Street Journal How the father and son presidents foresaw the rise of the cult of personality and fought those who sought to abuse the weaknesses inherent in our democracy Until now no one has properly dissected the intertwined lives of the second and sixth father and son presidents John and John Quincy Adams were brilliant prickly politicians and arguably the most independently minded among leaders of the founding generation Distrustful of blind

allegiance to a political party they brought a healthy skepticism of a brand new system of government to the country's first 50 years. They were unpopular for their fears of the potential for demagoguery lurking in democracy and in a twist that predicted the turn of twenty-first century politics they warned against but were unable to stop the seductive appeal of political celebrities Thomas Jefferson and Andrew Jackson. In a bold recasting of the Adamses' historical roles, *The Problem of Democracy* is a major critique of the ways in which their prophetic warnings have been systematically ignored over the centuries. It's also an intimate family drama that brings out the torment and personal hurt caused by the gritty conduct of early American politics. Burstein and Isenberg make sense of the presidents' somewhat iconoclastic, highly creative engagement with America's political and social realities. By taking the temperature of American democracy from its heated origins through multiple upheavals, the authors reveal the dangers and weaknesses that have been present since the beginning. They provide a clear-eyed look at a decoy democracy that masks the reality of elite rule while remaining open since the days of George Washington to a very undemocratic result in the formation of a cult surrounding the person of an elected leader.

Up From Slavery Madhubun, Up from Slavery 2014 unabridged school edition by Booker T. Washington

The CBSE has prescribed this novel as Long Reading Text under the Reading Project for class XI.

A Commentary on Herodotus Books I-IV David Asheri, Alan Lloyd, Aldo Corcella, 2007-08-30 Herodotus, one of the earliest and greatest of Western prose authors, set out in the late fifth century BC to describe the world as he knew it. This commentary, by leading scholars, originally published in Italian, has been fully revised by the original authors and is now presented for English readers.

Paperbound Books in Print, 1992 **An Introduction to the History of Medicine** Fielding Hudson Garrison, 1929

The Black Middle Matthew Restall, 2009 *The Black Middle* is the first book-length study of the interaction of black slaves and other people of African descent with Mayas and Spaniards in the Spanish colonial province of Yucatan, southern Mexico.

The Bookseller, 1917 **The Illustrated London News**, 1873 **Press Releases** United States Department of State, 1961

A Dictionary of Greek and Roman Antiquities William Smith, Charles Anthon, 1843 **Resources in Education**, 1999-10 **Normal Instructor and Teachers World**, 1919 *The IVP Introduction to the Bible* Philip S. Johnston, 2011-05-25

Editor Philip S. Johnston presents the best evangelical thought on the proper interpretation and study of the Bible. Written by a team of international and interdenominational scholars, this resource is designed to set you on your way to responsible biblical interpretation.

Bulletin of the Atomic Scientists, 1980-12 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by the Manhattan Project Scientists, the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world.

The Making of an American Senate Elaine K. Swift, 2002 How institutional change occurred in the early American Senate.

FrC 19.2 Antiphanes fr. 101-193 S. Douglas Olson, 2022-04-11 Antiphanes is one of the most important writers of the Middle Attic comedy. His plays deal with matters connected to mythological subjects, although others referenced particular professional

and national persons or characters while other plays focused on the intrigues of personal life This volume contains a critical text translation and complete philological literary and historical commentary on the fragments of Antiphanes Zakynthios and subsequent plays along with the fragments without a play title including dubia **The Publishers Weekly** ,1887
