Our Home Whitney Nell Stewart, 2023-11-14 The cultural memory of plantations in the Old South has long been clouded by myth A recent reckoning with the centrality of slavery to the US national story however has shifted the meaning of these sites Plantations are no longer simply seen as places of beauty and grandiose hospitality their reality as spaces of enslavement exploitation and violence is increasingly at the forefront of our scholarly and public narratives Yet even this reckoning obscures what these sites meant to so many forced to live and labor on them plantations were Black homes as much as white Insightfully reading the built environment of plantations considering artifact fragments found in excavations of slave dwellings and drawing on legal records and plantation owners papers Whitney Nell Stewart illuminates how enslaved people struggled to make home amid innumerable constraints and obstacles imposed by white southerners By exploring the material remnants of the past Stewart demonstrates how homemaking was a crucial part of the battle over slavery and freedom a fight that continues today in consequential confrontations over who has the right to call this nation home *A Peculiar Institution*

Wilma A. Dunaway, 2003 Wilma Dunaway breaks new ground by focusing on slave experiences on small plantations in the Upper South She argues that a region was not buffered from the political economic and social impacts of enslavement simply because it was characterized by low black population density and small slaveholdings By drawing on a massive statistical

William Postell,1982-01-01 **The life of a slave in the cotton plantation economy of North America** Julia Schönmann,2014-05-16 Seminar paper from the year 2014 in the subject History America grade 1 0 University of Heidelberg Institut für Übersetzen und Dolmetschen language English abstract Slavery is a phenomenon which had already been common practice in ancient times and has influenced human history up till today Historian and author Stanley Elkins compared the practice of slavery in the southern states of the U S to national socialist concentration camps Meinert Mcke Weber 120 Unfortunately it was the sad truth Slaves were imported from Africa and sold against their will like goods The sole objective was effective economic exploitation of work force The purpose of this term paper is to take a closer look and especially illustrate every day hardships of a slave s life on a North American cotton plantation In this regard the books Schwarzes Amerika from Meinert Mcke and Weber Out of Many from Faragher Buhle Czitrom and Armitage as well as The Enduring Vision from Boyer Clark and McNair Hawley serve as a basis for statistics and detailed information The life of slaves was subject to constantly changing factors which leads to the conclusion that the standard of life was significantly worse on a big plantation than on a small manageable cotton farm Furthermore wealth and the plantation owner s character influenced a slave s everyday life as well Therefore it is important to keep in mind that not all circumstances and factors applied to every plantation **Elderly Slaves of the Plantation South** Stacey K. Close,2015-12-22 Elderly slaves contributed substantially to the creation and perpetuation of the unique African American culture and antebellum plantation society in the South Interwoven with this major argument are two subthemes One centers on the fact that by the late antebellum period elderly slaves were some of the chief transmitters of Africanism the other focuses on how gender based distinctions of the elderly became blurred Although the roles of the elderly often changed elderly slaves contributed to the plantation economy It is also true that those old people who were incapacitated posed serious economic and social concerns for owners although many of the problems of elderly care were solved by the compassion of slave community members Ph D Dissertation The Ohio State University 1992 revised with new preface and index **The Southern Plantation** Francis Pendleton Gaines,1924
