The Slayer of Souls Robert Chambers,2019-01-09 The slayer of souls is a novel written by robert W Chambers originally published in 1920     *The Slayer of Souls* Robert William Chambers,2020-09-28 Only when the Nan yang Maru sailed from Yuen San did her terrible sense of foreboding begin to subside For four years waking or sleeping the awful subconsciousness of supreme evil had never left her But now as the Korean shore receding into darkness grew dimmer and dimmer fear subsided and grew vague as the half forgotten memory of horror in a dream She stood near the steamer s stern apart from other passengers a slender lonely figure in her silver fox furs her ulster and smart little hat watching the lights of Yuen San grow paler and smaller along the horizon until they looked like a level row of stars Under her haunted eyes Asia was slowly dissolving to a streak of vapour in the misty lustre of the moon Suddenly the ancient continent disappeared washed out by a wave against the sky and with it vanished the last shreds of that accursed nightmare which had possessed her for four endless years But whether during those unreal years her soul had only been held in bondage or whether as she had been taught it had been irrevocably destroyed she still remained uncertain knowing nothing about the death of souls or how it was accomplished As she stood there her sad eyes fixed on the misty East a passenger passing an Englishwoman paused to say something kind to the young American and added if there is anything my husband and I can do it would give us much pleasure The girl had turned her head as though not comprehending The other woman hesitated     The Slayer of Souls (1920) by Robert W. Tomlinson,2018-11-10 No one starts a magazine more than two decades into the 21st century No one It s only an adled brain that would even toy with the idea Print publications are on their way out The few surviors are frightened huddled waiting silently for the long night to come Well not here at Phenomenal Stories We never expected to have any readers so how could we be disappointed And we re not OK OK there may be one or two readers who ironically are reading Phenomenal Stories on their Kindles Other than that though it s safe to say that after the first four issues we are very nearly 100%% reader free So why are we doing this I put it to you as a question Why wouldn t we be doing this OK plenty of reasons but we re doing it anyway Come on along
